FROM LIGHTHOUSE CATHOLIC MEDIA

## WALKING WITH MARY

DR. EDWARD SRI

Mary appears only a few times in the Bible, but those few passages come at crucial moments. Catholics believe that Mary is the ever-virgin Mother of God, the Queen of Heaven and Earth. But she was also a human being—a woman who made a journey of faith through various trials and uncertainties, and who endured her share of suffering. Even with her unique graces and vocation, Mary remains a woman we can relate to and from whom we have much to learn.

In this book, Dr. Edward Sri looks at the key passages in the Bible concerning Mary and offers insight into the Blessed Mother's faith and devotion that we can apply to our daily lives. We follow her step-by-step through the New Testament account of her life, reflecting on what the Scriptures tell us about how she responded to the dramatic events unfolding around her.

This book is a highly readable, accessible work that draws on wisdom from the Catholic tradition, recent popes, and biblical scholars of a variety of perspectives and traditions. These insights allows us to ponder what Mary's journey of faith may have been like in order to draw out spiritual lessons for our own walk with God. Whether you are of a Catholic, a Protestant, or another faith background, this book will help you to know, understand, and love Mary more, and will inspire you to walk in her footsteps as a faithful disciple of the Lord in your own pilgrimage of faith.

*"In Walking With Mary, Dr. Sri achieves something rare and wonderful: A book that seamlessly combines rich biblical scholarship, a son's insight into the human heart of Mary, and an engaging, vividly accessible style the reader can't put down."*

~Most Rev. Charles Chaput, Archbishop of Philadelphia
