WHY I AM CATHOLIC WHEN I COULD BE ANYTHING ELSE

Patrick Madrid

For those who aren't Catholic, it may not be apparent why one should embrace the Catholic Faith. Best-selling author Patrick Madrid, director of the Envoy Institute of Belmont Abbey College, gives compelling biblical and historical reasons for why he is a lifelong Catholic. He shares valuable insights into the beauty of the Catholic Church and its claim to contain the fullness of the deposit of faith given by Christ.

"My whole family enjoyed this... even the eight-year-old was listening! We learned more about our faith and it was interesting." Janice - Albertville, SK

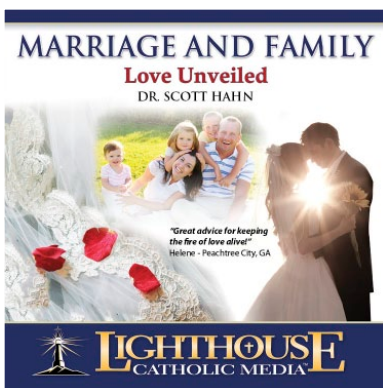

DISCIPLINE THAT LASTS A LIFETIME

Dr. Ray Guarendi

Dr. Ray is a psychologist, radio talk show host, husband, and a father of ten adopted children. He explains that what is needed to raise well-adjusted children who are prepared to succeed in life in today's challenging environment is uncommonly good parenting. He draws from his wealth of knowledge and experience to discuss, with wisdom and humor, practical ways to succeed in this God-given calling.

"Dr. Ray is a fantastic speaker, his insights are a must for any Catholic parent, and his wisdom and ideas would help any parent to raise good, responsible children."
Rhonda - Pocomoke, MD

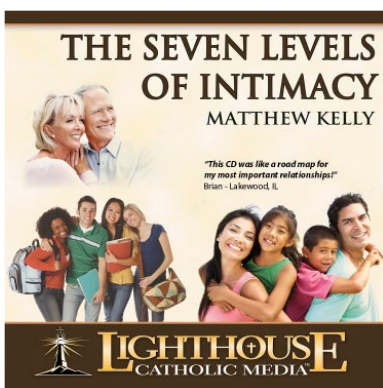

MARRIAGE AND FAMILY LOVE UNVEILED

Dr. Scott Hahn

Good relationships and marriages are of vital importance to individuals, the Church, and society overall, but real effort and wisdom are indispensable to making them strong and lasting. In this focused presentation Dr. Scott Hahn shares key principles that he has lived out in his own life. His advice is practical and challenging, and sometimes requires sacrifice, but it is sure to bear good fruit and bring forth many blessings.

"A wonderful talk on how the issues that every family encounters can be addressed in ways that reflects the love that God has for the family." Charlie - Cockeysville, MD

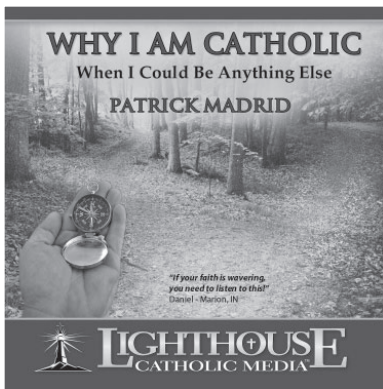

THE SEVEN LEVELS OF INTIMACY

Matthew Kelly

True intimacy involves sharing more deeply who we are, including our weaknesses, our hopes, and our dreams, than we typically do in our everyday interactions. Matthew Kelly teaches how a focus on the right things can help relationships grow and remain strong, even though people change over time, and he provides practical steps on how to improve them forever.

"This showed me things that I was not paying attention to in my marriage. Also, I feel that listening to this will help me interact better with my employees."
Chuck - St. Joseph, MO
