"This documentary was so wonderful to watch! You get to see testimonies of how Divine Mercy has changed people's lives. They did a great job explaining the image and intertwining people's stories. I highly recommend this documentary to everyone and anyone."

AMBROSIA WILLOUGHBY

## HOW TO TALK ABOUT MARRIAGE AND SAME-SEX UNIONS

"This presentation was clear and provided a non-judgmental look at the definition of marriage and how to avoid pitfalls when having a conversation about the Catholic Church's view on the Sacrament of Marriage with those who have an opposing view. It should be viewed by anyone who is interested in looking at the sacramental aspect of what marriage is."

## ANGELS (AND DEMONS)

"This was exactly what I needed when I needed it. As always, Dr. Kreeft explains complex theological issues in an understandable way without oversimplifying the topic. Dr. Kreeft is my favorite theological writer because I always gain clarity on issues gnawing at me."

LEAH RHODES

## CROSSING THE TIBER

"The best book to give to friends and family who have left the Catholic Faith!"

PETER DCRUZ

## SOMETHING OTHER THAN GOD

"This is the first book I've been unable to put down in quite some time. I ended up devouring it in two days (I had to force myself to sleep). The story in itself was extremely powerful; it was also extremely well-written. Furthermore, it gave me answers to questions I'd been struggling with for awhile. I cannot recommend it enough!"

CAROLINA CURRAS

## ELIJAH IN JERUSALEM

"I was so glad when I found this book out and available! It is so consoling to see the hero of a story finally being a faithful Catholic with a complete trust in God and have every action informed and led by prayer. It is an intriguing story on its own, but as a Catholic I felt a connection at a much deeper level, and can only hope for more engaging faithful writing such as this."

KEVIN DEBRUYN

# Compelling video based studies for all of your parish needs.

## 33 DAYS TO MORNING GLORY

"I used this program as my own personal retreat this last Advent. I have always had a devotion to our Blessed Mother, but Fr. Gaitley's program gave me a whole new way of knowing Mary and praying to her—actually praying *through* her. I challenge everyone that reads this to experience this program."

MARY TAKACS

## THE BIBLE AND THE VIRGIN MARY

"We used this program for our Saturday morning men's Bible Study. We have cradle Catholics and converts in the group. We were all pleased with the production, it was very professionally done, and the presenters knew their stuff. We were amazed at the information hidden in the Biblical readings instructing us about Mary. Personally it has increased my devotion to the Blessed Mother and she has encouraged me to draw closer to her Son. We looked forward to the presentation each week. The presentation of a specific Marian Apparition each session was also inspiring."

TOM FOSTER

## LECTIO: EUCHARIST

"This study is amazing! As a recent convert to the Catholic Faith, I am blown away by the depth with which Dr. Pitre teaches this study! I am so grateful that this study and many others are available to us through FORMED and our parishes! I am so excited to share with others what I have learned!"

JOSEPH DANTONA

## LECTIO: PETER

"As an adult ed coordinator, this study brought a tear to my administrative eye! The content in these videos are normally accessible only in \$75 classes. Sometimes people just want to know without the pressure of a course to keep up with, and that is exactly what this series allows."

LAURENCE GOLDKAMP

## LECTIO: PRAYER

"I recommend that everyone watch this in order to learn how to pray with the Bible. That is a critical element necessary to everyone's prayer life that most people do not do."

MARTIN LAIRD

## REBORN

"The joy of the presenters is palpable. The sacred images and music score delight the physical senses, while you're wrapping your head around the significance of water and the baptism ritual."

SUSAN STEVENS

## THE WILD GOOSE

"*The Wild Goose* is the most powerful presentation on the Holy Spirit that I have ever experienced. I have prayed this series at least 20 times. It can radically change your life if you open yourself to where you are being led by God."

PRISCILLA SCHAD

## SYMBOLON

"I have been a Catholic all my life, but was not really reading the Bible regularly. I watched this program as part of a Bible Study group assignment, and finally realized that the greatest and most important book to learn in our lives is the Bible."

I am so blessed that God opened my heart and mind, and gave me the opportunity to start reading His scriptures. I have been setting aside time in the morning when I wake up to read the daily Mass readings. In doing so, I reflect on God's words and it helps me develop a better understanding of how to live according to HIS ways and not mine."

LOIDA TANCHICO

---

"Because of this series and several other videos and programs available through FORMED, my knowledge of the Catholic Faith has increased significantly!"
