## THE FOUR SIGNS OF A DYNAMIC CATHOLIC

MATTHEW KELLY

As human beings, we are constantly engaging and disengaging in everything we do. We engage and disengage at work, in marriage, as parents, in our quest for health and well-being, in personal finances, environmentally, politically, and, of course, we engage or disengage spiritually.

If you walk into any Catholic church and look around, you will discover that some people are highly engaged, others are massively disengaged, and the majority are somewhere in between. Why? What is the difference between highly engaged Catholics and disengaged Catholics?

Answering this question is essential to the future of the Catholic Church. If we truly want to engage Catholics and reinvigorate parish life, we must first discover what drives engagement among Catholics. Matthew Kelly explores this question in this groundbreaking new book, and the simplicity of what he discovers will amaze you.

*"The Four Signs of a Dynamic Catholic is a must-read for anyone serious about the New Evangelization. The book highlights the basic spiritual practices that will deepen our own faith and enable us to mentor others into a deeper, loving relationship with Jesus Christ and His Church. Matthew Kelly shows us the way to open our lives to the Holy Spirit and allow Him to renew our families, parishes and dioceses. I am giving thousands of copies of this book away to everyone I know."*
