Why Do Women Do That?

understanding what chick flicks and love songs have to do with chastity

Lisa Cotter

In this talk delivered to a group of college-aged men at the FOCUS National Conference in 2011, nationally sought after speaker Lisa Cotter addresses the important but often overlooked topic of emotional purity in a humorous and genuine style. Using Taylor Swift lyrics to emphasize her point, Lisa proposes that emotional purity is essential for authentic love to flourish in any romantic relationship. This talk is perfect for every young adult, both men and women.

"Amplifies the challenge to young men."

Will - Newport News, VA

"Very good practical insight that will help any young man who feels called to marriage—a great listen for any high school or college guy."
