

# MOTHER TERESA OF CALCUTTA

FR. LEO MAASBURG

Mother Teresa's life sounds like a legend: the Albanian girl who entered an Irish order to go to India as a missionary and became an "Angel of the Poor" for countless people.

Fr. Leo Maasburg was there as her close companion for many years, traveling with her throughout the world and was witness to countless miracles and incredible little-known occurrences. In this personal portrait of the beloved nun, he presents amazing stories about her that most people have never heard, wonderful and delightful stories about miracles, small and great, that he was privileged to experience at Mother Teresa's side.

They all tell of her limitless trust in God's love, of the way the power of faith can move mountains, and of hope that can never die. These stories reveal a humorous, gifted, wise, and arresting woman who has a message of real hope for our time. It's the life story of one of the most important women of the twentieth century as it has never been told before.

“ Msgr. Leo Maasburg gives us such great insight into this very human and very holy saint. Read this book! ”

— FR. LARRY RICHARDS  
Author, *Be a Man!*

“ Mother Teresa's daily life can be put in two powerful words: holy daring. The mysterious language spoken between God and the saints is the firm belief that everything, absolutely everything, is a message of His love. Do I need to say more: *tolle, lege* (take, read). ”

— ALICE VON HILDEBRAND  
Author, *The Privilege of Being a Woman*
