DEFENDING THE FULLNESS OF THE FAITH

STEVE RAY

In this exciting series, you will be given the perfect apologetic primer to better understand and defend the Catholic Faith. Stephen Ray, former Evangelical Protestant and Bible teacher, highlights the fundamental issues that many non-Catholics seriously question and some even viciously attack. He shatters the unfounded charges that Catholics have “invented” doctrines by providing straightforward responses. With incredible enthusiasm, Ray articulates the Truth in a truly Catholic and totally biblical manner.

THE SUBJECTS COVERED IN THIS SERIES INCLUDE

- Disproving the “bible alone” approach
- Defending the Papacy
- Justification
- Understanding the Church as the “family of God” and much more
