

Captivating New Release

A NEW SPANISH LANGUAGE RELEASE FROM LIGHTHOUSE

GUADALUPE **y el Misterio del Verbo Encarnado** **(and the Mystery of the Word Incarnate)**

XAVIER FERNANDEZ

The Apparition on Tepeyac brought the Son of God to the New World like He was brought to that cave in Bethlehem 2,000 years ago. The sacrifices at the Aztec Pyramids have been replaced by the sacrifice of the eternal Lamb on the alters of the Catholic church. Each miraculous sign has a meaning and that of Guadalupe is to remind us that through the Eucharist, the Word Incarnate that entered Mary's body, enters anew into each one of us. In this presentation of the story of Guadalupe is revealed an amazing perspective of the relationship between Mary, the Apocalypse and the Holy Eucharist.

"Me regocija que este CD de Xavier Fernández, sea publicado. Que estas reflexiones nos ayuden a ser hombres eucarísticos, preparados y dispuestos a colaborar con Dios y con los hombres en la creación de una sociedad nueva."

~Pbro. Juan Vicario Foráneo, Carazo Nicaragua

"¡No pude escuchar este CD suficientes veces!"
