

JANUARY 2015 FEEDBACK

I picked up a few of your CDs at the kiosk in my parish several years ago and practically wore them out. I listened to the three of them so many times that I practically had them memorized, so I went onto the website over a year ago and purchased the 100 CD bundle for my birthday from my husband. I have listened to almost all of them, many more than ten times each. They are now all I listen to in the car. I have since ordered more from the website and also recently joined the CD of the Month Club for friends and family and am having a great time sharing them with family and coworkers. This talk brought me to my knees!! It is a testimony to the awesome power of LOVE and faith. I cannot listen to it enough. What an inspiration Anne Marie is for all of us!!!

Diocese: Dallas

State: TX, US

Media: Spanish - **El Ave Maria Y La Oracion**

I am bilingual and decided to hear this CD in Spanish, "The Hail Mary prayer". This is the best explanation of why we as Catholics pray the Hail Mary prayer. It was very informative and explained how we must pray from the heart and meditate on all of its meaning. Because I heard this CD, I believe I am closer to God and have a better understanding of the Catholic Faith.

Diocese: Arlington

State: VA, US

Media: **I'm Not Being Fed**

It's hard to put into words, but this and other talks on your site are what I need to be able to share my beliefs with others. I especially was interested in this particular one for family members who have left the Catholic Church for the exact reasons spoken about in this talk. I hope to share with my family members, and pray that they will listen with an open heart, mind, and soul.

Media: **From Love, By Love, For Love**

The best Catholic talk on homosexuality I have come across yet! It brings together all the different aspects in a clear, compassionate, and cohesive manner. If you (like me), are a bit skeptical of what the media says the church says about homosexuality, then this talk is for you!

Diocese: Vicariate of Southern Arabia

The talk gave a perfect insight into how the Mass and old Passover tradition is one and the same. The institution of new Passover/covenant was done at the Last Supper. Everything was a new teaching and amazed me!

Fr. Michael Gaitley has a very lively and expressive way of sharing the experiences of his faith journey! His love for St. Faustina and St. John Paul II inspired me to finish reading the Diary of St. Faustina and to do another consecration to Our Lady! Thank you Fr. Gaitley!

This talk benefitted me in that I had a better understanding of the Book of Revelation. So much, that I bought the book and a brother knight and I did a study session at our military base as a bible study class.

It helped me to understand more what's happening during the Mass, where certain parts come from, why we practice them, and how fortunate I am to be Catholic. I'll be better able to explain the Mass to all faiths and fallen-away Catholics

I am a cradle Catholic, and this CD taught me a lot about the Mass. It really made me understand why it is so great to be a Catholic at a time I may have been swayed to another church. God has awesome timing. I have 35 CDs, but this is always the first one I recommend to people.

This gave me many things to think about regarding Mormon doctrines, and also made me willing and excited to invite in the next two Mormon missionaries I encounter. He made the point that, as a Mormon missionary, he always wondered why so few people were willing to share the Truth with him, and that really convicted me!
