A MAP OF LIFE

FRANK SHEED

Considered one of Frank Sheed's best books, *A Map of Life* is also regarded as one of the best and most popular short summaries of the Catholic Faith ever written. Focusing on the major truths of our existence and purpose in life, Sheed draws on God's revelation to show what the divine master plan is for us and how each part of the plan is related.

"Sheed gives us a short plan of life in simple, easy terms that are not extremely theological. Very well written, from the perspective of a layman who spent fifty years preaching on the street corners of London."

~Ryan, Chicago IL

"In its breadth and solidity of learning, in its clarity and attractiveness of exposition, in the persuasiveness that comes of profound conviction and intense earnestness, this is a triumphant little book."

~The Universe Catholic newspaper

"A wealth of information on every single page! Sheed has an excellent way of presenting theology in a very simple and interesting fashion."

~D. Lantigua

"Sheed is one of my favorite theology authors, and this book did not disappoint!"

~John, Orlando FL

"Easily digestible! This book tells about the belief of the Catholic Church very succinctly. My only regret is that I didn't read it early on."

~Sabu Augustine
