FREEDOM

EVERETT FRITZ

Sexual freedom isn't just about conquering sexual addictions; it's about saying yes to real love. Unlike other books that simply present God's design for human sexuality, this book guides a young man on his journey to sexual purity and freedom in Jesus Christ. Topics include the crisis of manhood facing our modern culture, why true masculinity is rooted in sexual purity and sacrificial love, how to heal from sexual addiction through a deeper relationship with the Holy Spirit, and a step-by-step process for developing the disciplines needed to win the battle against temptation.

Cast off the shackles of impurity and find freedom by pursuing authentic love. Learn to become a man of virtue and the man God created you to be.

"Everett Fritz offers practical wisdom that not only makes purity attractive, but shows exactly how to achieve it. Perhaps more importantly, he inspires the reader to dive deeper into the heart of God. A must read for every young man in the Church today."

Chris Stefanick | author and speaker

"Freedom provides the keys that unlock the chains of sexual impurity so many men find themselves bound with today. I have not found another book that offers a path of healing that is so honest and realistic, while also offering hope. If you want to experience the freedom of being sexually pure, then I highly recommend reading and implementing the practices found in this book."

Most Reverend Samuel J. Aquila | Archbishop of Denver
