

## MAY 2014 FEEDBACK

*"I love the CD of the Month Club. Not only is the content faithful and interesting, it is an easy way learn more about the Catholic Faith. I receive 6 CDs every month. I keep one and give the others away as a form of evangelization." Fr. Larry Adamczyk, Archdiocese of Baltimore (His church also offers the Lighthouse Kiosk Program.)*

Rosalind Moss' conversion story played a big part in my becoming Catholic. I always enjoy listening to her speak - her sincerity and emotion come through very clearly, as does her love of God and His Church.

The content on Mary as OUR mother and Saint JP II's devotion to her was most inspiring. The presenter was excellent!

Really opened my eyes to the last supper and the real sacrifice of Jesus. Gave me a deep look at the

heart of my faith. I have listened four times already and still carry it in my car to listen again. Dr. Hahn can capture your mind like no one else.

I am currently on a journey to understand my faith, more specifically the Mass and the Eucharist. I have been searching for answers as to why attending Mass is so important, and how the Eucharist is the center of our Catholic Faith. This talk not only gave me the answers I was looking for, but it has fed the fire in my heart to search for the Lord even further and deeper.

I need to order lots more of these! We need to give out to all our friends and family who have young adults in their lives. GREAT information that needs to be shared.

Media: **The Second Greatest Story Ever Told**

I loved the background history. Things don't really make sense to me until I can paint an image based on my own understandings. I've listened to this four times so far, get new things out of it each time, and plan to listen to it several more times!

Chris West is amazing!! He can relate to ALL, young and old! He speaks the truth, but he does it in a way that you are encouraged to listen (not turned off or offended) and make a change in your life! We are all searching for our freedom; he teaches that you can have it, and the Catholic Church can help you obtain it! WOW!!!!

EXCELLENT! I find Fr. Casey's speaking style energetic, enthusiastic, passionate, engaging, and appealing. I found the discussion of how to be mindful of the movement of pride in oneself helpful. My favorite part is the Litany of Humility; it is a prayer that I have been saying along with the CD because trying to cultivate the virtue of humility is something that we are all called to do.

Diocese: Scranton

This CD is awesome! I am going to need a lot more of these to share with children, young adults, and parents! There is so much they need to hear and know. Jason and Crystalina share the truth with personal stories that really touch your heart.
