

NOVEMBER 2014 FEEDBACK

Diocese: Regina

State: SK, CA

Media: **Answering Atheism**

My son and I listened to this great talk on our way back from a fishing trip. It gave us lots to talk about on the ride home. What a great tool for starting discussions on faith in the family!

Diocese: Oakland

State: CA, US

Media: **Why Be Catholic?**

This was the first talk I had the privilege of listening to. I was going through RCIA to be confirmed and this talk just reaffirmed why I made the decision to join RCIA at the age of 28.

Diocese: Denver

State: CO, US

Media: **Evangelizing Catholics**

A comment that a non-Catholic friend of mine brought up to me was addressed exactly in this CD. I couldn't respond in detail, so I am anxious to give her a copy and pray that she will return to the Catholic Church!

Diocese: Scranton

State: PA, US

Media: **Praying the Rosary Like Never Before**

I pray the rosary every day, and Dr. Sri helped immensely in explaining the "Hail Mary" and how each part of it relates to Jesus. He also gave me answers to questions posed by Protestant friends. Thank you so much!

Diocese: Dallas

State: TX, US

Media: **A Guide to Raising (almost) Perfect Kids**

I really appreciate the actionable ideas to disciple kids with rehearsing good behaviors and the do-over idea. Also, the idea to use mild inconvenience with do-overs is an approach that I will immediately begin using today. THANK YOU for this immensely helpful CD. The idea of practicing good behaviors instead of punishing bad behaviors was very helpful.

Diocese: Raleigh

State: NC, US

Media: **The Lamb's Supper**

I never realized the correlation of the Catholic Mass and the book of Revelation. This was funny, educational, and very practical for married couples. I am interested in more talks from Lighthouse Catholic Media!

Diocese: Portland ME

State: ME, US

Media: **Confession**

Fr. Larry's talk on confession was SO inspiring! I hope to offer it to family and friends.

Diocese: Philadelphia

State: PA, US

Media: **Jesus and the Jewish Roots of the Eucharist**

The way Dr. Pitre explains the meaning and history of the Eucharist is wonderful. Every Catholic should hear this!

Diocese: Salina

State: KS, US

Media: **Jesus Is...**

This is a must-listen to for everyone, from anyone questioning God's existence to a better understanding of who Jesus is.

Diocese: St Petersburg

State: FL, US

Media: **The Hidden Battle**

I am very grateful for all of the information. It helped me to understand and apply the knowledge. Thank you!

Diocese: Toronto

State: ON, CA

Media: **Anger and Forgiveness**

After listening to a couple of CDs in my car on the way to my office, God woke me up and reminded me of my responsibility as a Catholic Christian to share the gift of faith to those who are faltering in their faith through the CDs. Keep up the good work!

Diocese: Galveston-Houston

State: TX, US

Media: **Praying the Rosary Like Never Before**

Dr. Sri is such a wonderful speaker! He is so knowledgeable yet speaks to his listeners in a down to earth manner.

State: CA, US

Media: **The Miracle of Divine Mercy**

I was deeply touched by the message of Fr. Brooks. It was an enlightening moment for me to hear excellent messages. Well done!

Diocese: Paterson

State: NJ, US

Media: **Prepare the Way of the King**

This CD gave me a deeper understanding of Advent. For me, Dr. Hahn painted a picture while speaking of Herod, the time period, the shepherds, and the Magi and the meaning of the gifts. I can't wait to share this and to discuss this with our group at church!

Diocese: Davenport

State: IA, US

Media: **Relativism**

After listening to this talk, I have a much better ability to counter common arguments.

Diocese: Little Rock

State: AR, US

Media: **I'm Not Being Fed**

Great CD for fallen away or wavering Catholics who have gone to, or are considering, other churches. Gives the strengths of the Catholic Church that are lost on many who attend Sunday Mass but are not engaged in their faith beyond that. Especially effective showing that you do not pick a church to be entertained.

Diocese: Detroit

State: MI, US

Media: **There is Life in the Womb**

I have been a huge fan of Lighthouse Catholic Media for years. I have purchased CDs at various churches. Our church now has them! I really enjoyed hearing Fulton Sheen. I want to hear more of his dynamic teaching!!!

Diocese: Saginaw

State: MI, US

Media: **Feminine Genius**

Colleen Carroll Campbell has a gift for eloquently offering encouragement, inspiration and clarification, drawn from timeless truth, in a culture that often offers confusing messages for today's Christian woman. I can hardly wait to share her message with the women in my life, old and young.

Diocese: Memphis

State: TN, US

Media: **The Saving Power of Divine Mercy**

It was so inspirational! It reinforced God's total and unconditional love for us and has increased my Divine Mercy rosaries.

Diocese: Albany

State: NY, US

Media: **The History of Salvation**

This was the best summary of this topic I have heard. It was clear and concise without getting lost in the many beautiful but tangential details that are usually included by other presenters.

Diocese: Monterey

State: CA, US

Media: **Life is Worth Living**

Timeless wisdom, a little humor, and strengthening of my faith in the Catholic Church. He has such a powerful, joyful spirit, and you can feel God working through him!

Diocese: Calgary

State: AB, CA

Media: **Seven Deadly Sins - Seven Lively Virtues**

I like the practical approach and providing several examples that hit home. Fr Barron was also strong in his delivery when emphasizing important sections of his talk. He's a very powerful speaker!

Diocese: Camden

State: NJ, US

Media: **Prepare the Way of the King**

My perception of the shepherds and the Magi has changed because of Scott Hahn's talk. Getting rid of the romanticized version has given me a new realization of the kingship of Jesus and how that must be honored in my life.

Diocese: Corpus Christi

State: TX, US

Media: **The Lamb's Supper**

I am new to the Catholic Church. I enjoy the Mass. Now I know why the Mass is wonderful to me!

Diocese: Marquette

State: MI, US

Media: **Born Again? Faith Alone?**

It inspired me to learn more apologetics for the Catholic Faith.
