

# POWERFUL BOOKS

FROM IGNATIUS PRESS & AUGUSTINE INSTITUTE

## VIRTUOUS LEADERSHIP

ALEXANDRE HAVARD

Drawing on the lives of some of the greatest political, intellectual and religious leaders of modern times, and the author's personal experience, this book demonstrates that leadership and virtue are not only compatible, they are actually synonymous. It demonstrates how virtues such as magnanimity, humility, courage, and self-control promote personal transformation and the attainment of self-fulfillment. It also considers the Christian supernatural virtues of faith, hope and charity without which no portrait of leadership can be complete. The book's final section offers practical guidelines for interior growth tailored to the needs of busy, professional people intent on imbuing their lives with a transcendent purpose. Thus, this book is ultimately practical. It is meant to be your guidebook in the quest for excellence.

"This is a book long needed on every level of public life in the developed nations. A vitally important and timely book."

**Michael D. O'Brien** | Author of *Children of the Last Days*

"In a complicated world, simplicity is priceless. *Virtuous Leadership* is full of brilliant insights. It is highly topical and relevant."

**Timo Soini** | Member of the European Parliament

"Somebody has finally written a book about virtue for those engaged in the business world. Too many books spill out of the presses on being *effective*, on getting *your way*, on making big bucks quick. This book should be in every airport!"

**Benjamin D. Wiker**

Author of *10 Books That Screwed Up the World*
