

AUGUST 2014 FEEDBACK

Diocese: Spokane

State: WA, US

Media: **The Mass Explained**

As a cradle Catholic, I didn't expect to learn anything new about the Mass. I've listened to this talk countless times, and it's just as inspiring and enlightening as it was the first time! It helped me to fall in love with the Mass again - thank you!

Diocese: Winona

State: MN, US

Media: **Seven Deadly Sins - Seven Lively Virtues**

By far one of my favorites. Every time I listen, I am enriched again and again.

Diocese: Joliet

State: IL, US

Media: **Trust in the Lord**

I listen to this CD whenever I am afraid or need encouragement. One of Lighthouse Catholic Media's best CDs!

Media: **Why Be Catholic?**

I enjoyed the scriptural support for Catholicism which I have always needed. It opened up my eyes to see the ways in which I can enrich my faith by searching and understanding truths and sharing them with my non-Catholic and even Catholic friends, so they can better understand what I believe and also understand the truth. I believe I can share this message with people in my life and it is inspiring me to continually learn more about my faith.

Diocese: Bridgeport

State: CT, US

Media: **Green Sex: The Case for Natural Family Planning**

When friends who are not married ask about NFP, it is hard to back it up. Jason does it in a clear concise entertaining way. The facts he provides are of infinite value.

Diocese: Columbus

State: OH, US

Media: **How to Date Your Soulmate**

This doesn't just tell you what not to do, it tells you what TO do. Sometimes it's hard to know what to do, but this spelled it all out in a very helpful way.

Diocese: San Bernardino

State: CA, US

Media: **The Four Last Things**

Fr. Schmitz is an excellent teacher, and his insights are wonderful. This talk enriched my love for Christ in the Eucharist.

Diocese: Sacramento

State: CA, US

Media: **Rising Above: From Tragedy to Triumph**

A truly inspirational story with a very powerful message. This talk expresses the power of the human spirit, the power we have to touch one another, the power of the love of Jesus Christ we give to one another. How can we make a difference? Listen to this CD and find out the power God has given each one of us to love and the result of that sacrificial love. One of the best CDs I have heard in the Lighthouse library, and I have listened to many. Truly moving!

Diocese: El Paso

State: TX, US

Media: **Finding the Fullness of Faith**

I have easily listened to this title 50 times. I listen to it, and when it's over, I listen to it again. I never tire of the personal stories of those people like Steve Ray who found themselves led into the Catholic Church by something more powerful than they. Years of theology are presented to us in a few minutes in order that we may be able to defend our faith.

Diocese: Biloxi

State: MS, US

Media: **The Fourth Cup**

I enjoy Mass now with a deeper love and knowledge of what is really going on. I have really been missing out on so much. This CD has set me on fire for more knowledge about my faith and love of the Lord and the Mass. Dr. Scott Hahn is a blessing to all of us.

Diocese: Dodge City

It made the distinction between Catholicism and the Protestant faiths, and made Catholicism relevant. I want to give the CD to all my Catholic friends and family who have fallen away from Mass.

The doctor who presented this talk gave it in a very orderly way. Her reasons were compelling. This should be listened to by every couple preparing for the Sacrament of Marriage!
