

FEBRUARY 2014 FEEDBACK

I am a faithful supporter of Lighthouse Catholic Media. The CDs available in the parishes I attend have deeply enriched my faith life - thank you! In particular, I shared a CD with my fallen-away brother who, upon listening to the CD "Seven Reasons to be Catholic" by Dr. Peter Kreeft, came back to the faith. It was nothing short of a miracle! I was blown away by the response! Anonymous

I have been listening to the Lighthouse CDs now for about 4 years since a friend turned me on to them. When I first started listening, I was astounded and moved and was left feeling like "where have these been all my life"? I feel like I have learned more from these CDs than I did in 10+ yrs of religious ed. They always bring me back to the core of who I am and who God calls me to be.

Matthew Kelly, Fr. Barron, Fr. Richter, Scott Hahn, Fr. Larry Richards, and Stephen Ray are just a few of the names that have helped move and continue to move me to a new place in my faith. Jason, Linwood MA

I can't tell you enough how much of an impact Lighthouse CDs have had on my personal and spiritual life, not to mention, my marriage. I have grown closer to my wife more than ever before, and I know that listening to these CDs has been a crucial part of that process. We are both pretty active members in our parish as we are involved in committees, bible studies, RCIA, and have always mentioned how powerful and inspiring these CDs have been in our spiritual journey. CD OF THE MONTH CLUB

Having CD of the Month has strengthened my faith immensely! Because of the CD of the Month, I'm also always looking at what's in the kiosk. – Joyce, Dickinson ND

Media: **The Face of God**

I am a monthly subscriber and look forward to every new CD that comes in. I usually listen to it within 24 hours of receiving it. Through every CD, I have learned more about my faith, have drawn closer to God, and have become a better person for having heard the message. God bless you all for giving us this resource. Thank you!

YOUCAT - BOOK

YOUCAT has helped me develop my faith and has guided me on my journey home to The Church. I've found the fact that it used clear language and had a great layout etc. really useful. YOUCAT had the answers to questions that popped into my head and it was really great for defending the faith when people made accusations. I simply could take out the YOUCAT and 'POW!' (in a charitable way of course). My friends liked the fact that if they asked me a question, I could give them a clear and straightforward answer. It's been such a handy tool! - 16-year-old reader

Media: **From Atheism to Catholicism: My Conversion Diary**

I have been a revert for a few years now and was in need of the answer to my question “Lord I believe, help my unbelief”. This talk put it all together for me. It put everything I was searching for in perspective! Joe, Lake Villa IL

Media: **Why I am Catholic When I Could be Anything Else (Re-titled Why Be Catholic?)**

Listening to this has increased my knowledge of my faith and inspired me to continue to learn more about my gift of being a Catholic. It has definitely helped me with topics to defend my faith and spread Christ's teachings!

Media: **The Lamb's Supper**

Finally, I have heard an explanation of Revelation that is clear and understandable, and will enhance every Mass I attend!

Media: **Born Again? Faith Alone?**

It gave me the info to spread the Catholic view of being saved against all the non-denominational views that we are always up against. I have listened to more than 20 of your CDs over and over and have enjoyed every one. I can hardly wait for the CD of the Month to arrive! I have also read two of your books and am in the middle the third. I just can't get enough!

Media: **Winning the Culture War**

This is probably one of the most important talks ever given. It doesn't sugar coat or hide from the hard truths. Everyone should listen and understand the spiritual war that we live in. Dr. Kreeft is a genius. A fantastic, no-nonsense philosopher, with a deep understanding of the human soul and of philosophical questions. Can't recommend enough!

Media: **Evangelizing Catholics**

This was one of my favorites in your series, of which I have many. This went really deep and I loved it. I love all your publications, but this one was extra good. I will take the truths I learned here and they will affect how I evangelize from here on out. How wonderful it is to have access to such a great teacher like Scott Hahn and the many others you provide.

Media: **True Devotion to Mary by St. Louis de Montfort**

Our call to holiness is a very special aspect of living that is not talked about enough in our Catholic living. Having finished *33 Days to Morning Glory*, listening to this talk greatly helped.
