

Lighthouse Catholic Media is excited to announce a new strategic alliance with the Augustine Institute that will enable both Apostolates to reach more souls for Christ than ever before. As part of this strategic alliance, the Lighthouse Parish Kiosk Program, along with other key brands and product lines, will merge with and become part of the Augustine Institute, where they will join in the Institute's mission of forming Catholics to "go and make disciples of all nations."

While the Lighthouse Kiosk Program and other key brands will become part of the Augustine Institute in Greenwood Village, Colorado, the customer support, product distribution, creative, and technical teams of Lighthouse Catholic Media will remain in Dekalb, IL as a new entity dedicated to serving Catholic organizations with business solutions needed to power their particular missions. More information regarding this new entity and endeavor will be released in the future.

This new strategic alliance brings together two of the most active and effective apostolates in the Church today, and will—by the grace of God—multiply and amplify the work of each organization. The merger will be consecrated to our Blessed Mother on December 8, 2015—the Solemnity of the Immaculate Conception and the start of the Extraordinary Jubilee Year of Mercy.

Please join us in praying for the efficacy of these new relationships and endeavors as we place them in the hands of our Blessed Mother at the foot of our Lord's Cross.
