EMPOWERING THE NEW EVANGELISTS

CATALOG 2014

Dear Pastors, Educators, Catechists, and Evangelists,

We at Lighthouse appreciate the honor of working with you to promote love for Christ and the Catholic Church, and hope that 2014 is starting off well for you.

I am happy to report that we found 2013 to be a very good year for our apostolate on a number of levels, and we look forward to offering additional effective **tools** for evangelization and catechesis.

Part of the good news that we have experienced comes from what seems to be an ever-increasing openness among Catholic organizations to work together and share their strengths for the good of the Church, while retaining their individual identities and innovativeness.

In this regard, I would like to highlight a very special partnership focused on the promotion of two powerful resources of a spiritual nature – Marian Consecration and devotion to **Divine Mercy**.

Through our partnership with the Marians of the Immaculate Conception, whose charism is focused on both of these things (and also the Holy Souls), we have come to see these in military terms, if you will, as force-multipliers, or things that enhance the efficacy of all our efforts. We hope you will consider reviewing and utilizing the resources related to these powerful weapons for the benefit of your parish or community.

We look forward to working together with you to successfully raise up and **empower new evangelists** in 2014, especially among the laity.

“We cannot forget that evangelization is first and foremost about preaching the Gospel to those who do not know Jesus Christ or who have always rejected him.”

POPE FRANCIS
EVANGELII GAUDIUM #15

Sincerely yours in Christ,

Mark Middendorf, President

Strategic Evangelization

“The CDs and brochures are a welcome addition to the faith life and continuing education of our people. I heartily recommend your program to all the pastors in the Archdiocese as a way to rekindle the faith of Chicago’s Catholics and help fulfill Pope John Paul II’s call for a New Evangelization.”

FRANCIS CARDINAL GEORGE
ARCHBISHOP OF CHICAGO

ENDORSEMENTS FROM BISHOPS

“The CDs provide a wonderful vehicle for people to learn more about the truth of our Catholic Faith. I heartily recommend the program to all the pastors of the Diocese. This is one effective way to respond to the call for a New Evangelization.”

ARCHBISHOP ALEXANDER K. SAMPLE
ARCHBISHOP OF PORTLAND, OR

“I am very happy to endorse Lighthouse and to encourage our parishes to use your program. We are grateful for the assistance you offer toward our achieving the goal of deepening the faith of adult Catholics within our diocese.”

MOST REV. DANIEL R. JENKY, C.S.C.
BISHOP OF PEORIA, IL

“As a reliable fount of authentic materials, I can wholeheartedly recommend Lighthouse to those seeking to grow in their knowledge and love of the Catholic Faith. You certainly play an important role in the New Evangelization.”

ARCHBISHOP MICHAEL MILLER, CSB
ARCHBISHOP OF VANCOUVER

"WE MUST CREATE A 'CULTURE OF ENCOUNTER'"

Since first called for by Pope John Paul II, the Church has been looking for ways to bring forth the *New Evangelization*, to proclaim the Gospel again in new ways, not only to those who haven't yet heard it, but also to those in our communities who are no longer living out their Catholic Faith.

In his apostolic exhortation *Ecclesia in America*, John Paul II spoke of the starting point of evangelization as an "encounter with the living Jesus Christ". Pope Benedict echoed virtually the same.

Pope Francis takes it even a little further saying, "We must create a 'culture of encounter' with Christ... a culture of friendship, a culture in which we find brothers and sisters, in which we can also speak with those who think differently..."^[1]

With these words in mind, parishes, including both clergy and laity, continue to ask how this vision can be realized at the parish level.

"I invite everyone to be bold and creative in this task of rethinking the goals, structures, style and methods of evangelization in their communities."

POPE FRANCIS – EVANGELII GAUDIUM #33

Effective parish evangelization today includes the realization that **we are competing for people's time and attention against the highly polished messages of the world.** For this reason we must reach out in new ways to meet people where they are from a practical standpoint (think time, format of choice and devices), making use of high quality Catholic media and new communication technologies.

We need to set before our target audience attractive, dynamic, convincing and convenient presentations of the Catholic Faith to bring about the 'culture of encounter' Pope Francis speaks of.

From an evangelistic perspective, it is also important to recognize that high quality Catholic media makes it

easy for anyone to effectively share the Catholic Faith with others, even with "those who think differently" than us. **One need not feel as though they need deep theological or philosophical knowledge or superior oratory or writing skills to effectively contend for the Faith** (though that never hurts). That's a huge advantage that media provides the *new evangelists* today.

High quality, low cost media and good communication tools are enabling the Church to bring about an encounter with the Lord through the truth, through His Word, and through others in community, all in simple ways that are proven.

The following pages highlight some of the best ideas, programs, and tools in existence for building a *culture of encounter*. May the Lord bless all your efforts to serve Him.

“Our evangelization plan is to give out Lighthouse CDs on a regular basis throughout the year, asking parishioners to pass them on when they have listened to them. We have also given away CDs and/or books like *Rome Sweet Home* or *Rediscover Catholicism* on Christmas. All of these have gone fast and have been well appreciated by our parishioners!

We’ve been doing these evangelization efforts for several years now, and we feel that they are paying off. **We have increased attendance at weekend Masses to about 40% of registered parishioners.** (The typical attendance number we hear is below 25%). And we’ve also had to expand the number of priests available for the Sacrament of Reconciliation. Not a bad problem to have!”

BEST PRACTICES

FOR AN EFFECTIVE KIOSK PROGRAM

1

Swap Titles Often

Rotating titles keeps the program alive and encourages parishioners to check often to see what is new and of interest to them.

- Refresh your titles by using Church seasons and calendar months to highlight themes. Be creative... Think outside the box!
- Keep a variety of topics to interest all ages and walks of life.
- Utilize the Exchange Program as needed to swap CDs that haven't moved.

2

Promote Titles by Name

Hearing the actual titles of CDs and books catches people's interest and draws them to the kiosk – both for themselves and for others.

- An incredible difference is made by the parish priest's voice. Whenever a priest promotes specific talks – whether from the pulpit, bulletin, or even in the confessional – people listen.
- Announce from the pulpit and in the bulletin when new titles arrive, mentioning titles by name. Highlight a CD each week.

3

Encourage Giving

Many people often need the encouragement to not only listen to the CDs themselves, but to give them away as well. When the seeds are planted for sharing our Faith in simple ways, people can enjoy becoming evangelizers!

- Encourage parishioners to include a CD in their gifts and birthday cards.
- Inspire people to give CDs to friends, family, and even a dentist or taxi driver.
- Have the parish set an example by giving CDs within parish ministries and sacramental programs.

4

Empower a Lay Volunteer

A volunteer always helps the kiosk program thrive. A small amount of volunteer time and creativity can have a big impact on parish kiosk results.

- The volunteer may bundle titles together for various seasons and themes.
- He or she may include a side table with items to highlight a theme of CDs (i.e. a statue of Mary and a rosary with CDs for the Month of the Rosary).

Every week more and more CDs disappear, and I continue to receive many comments on how they are deepening people's faith. In just a few months I have already noticed a positive change taking place in my parish. To pastors who are looking to lead their people and deepen their faith, the CDs are a great source to begin the journey."

Parish Spotlight

Is your parish looking for a way to get hundreds of parishioners interested in learning more about their Catholic Faith every week?

St. Thomas the Apostle in Crystal Lake, Illinois is using the CD of the Week Program to do just that...

// We started CD of the Week three weeks ago, and it's going great! We have already heard stories of parishioners' positive experience with the CDs. A woman came up to me recently and said, 'Please tell me you will NEVER stop doing CD of the Week! My husband used to come to Mass every once in a while... and now he never misses. Every week he runs straight to the Lighthouse kiosk to get his CD so he can listen to it on his commute throughout the week.' We are excited to see what else the Lord will do in this outreach! //

EMISSARIES

Open Doors - Open Hearts

THE EMISSARIES PROGRAM provides a simple, practical, and extremely inventive approach to **door-to-door evangelization**, enabling the lay faithful of any parish to become effective emissaries for the Catholic Faith. By personally delivering invitations on behalf of their pastor to every household within parish boundaries, Emissaries helps to fulfill the Church's mission to preach the Gospel to every person.

WE MUST GO OUT

The Sacrament of Confirmation
by Fr. Michael Schmitz

1

CONFIRMATION CLASS CONVERSATION STARTERS

Many parishes have reported great success incorporating Lighthouse CDs into their Confirmation programs. In this simple but effective approach, Confirmation candidates and a parent or their sponsor both listen to Lighthouse CDs or downloads on various topics (sacraments, the Mass, saints, conversion stories, etc.), and then discuss the topic at hand. Candidates grow in faith, and parents and sponsors do as well!

2

SCIENCE TESTS FAITH PARISH MISSION

A communion host turns into living flesh. Miracles occur. Are these events true? What does science have to say? We live in an "I'll believe it when I see it world", and these events pique the curiosity of believers and non-believers alike, drawing people to learn about the Real Presence of Christ in the Eucharist and the Catholic Faith.

For information about bringing Science Tests Faith to your parish, email brian@ScienceTestsFaith.com

3

PASS THE SPIRIT SUNDAY EVANGELIZATION PRIMER

Invite 8 to 10 parishioners at each Mass to take home a book or CD and bring it back the following Sunday, passing it on to the next 8 to 10 people at the Mass they attend. On the fourth week make available the same feature item for all parishioners for a small donation.

4

THE LIGHT IS ON FOR YOU CONFESSION CAMPAIGN

Local parishes, or even whole dioceses, choose particular dates on which they offer greatly expanded confession times and additional priests for the Sacrament of Penance. Help to encourage and enlighten them with some appropriate Lighthouse CDs!

“WHY DID I AS A PASTOR BRING FLOCKNOTE TO MY PARISH?”

My parish was incredibly big and active, and I was becoming overwhelmed by the necessary communication that was required to keep this whole project going. So I thought, **‘There’s got to be a better way for me to talk to my people.’**

The bulletin wasn’t cutting it; people weren’t reading it. The announcements at Mass you had to do weeks in advance so people would actually hear it. It was terribly inefficient. **The problem was that people were not getting the message.**

So that’s when I started to consider Flocknote. It was like ‘Wow! This is exactly what I’m looking for.’ Since we started Flocknote, we have, in many cases, doubled the attendance at certain parish activities. **That’s why I use Flocknote – I can finally talk to my people, and they’re listening.”**

Parish-based Programs from the Marian Fathers of the Immaculate Conception

WHAT IS HEARTS AFIRE?

Hearts Afire: Parish-based Programs from the Marian Fathers of the Immaculate Conception (HAPP®) is a simple and powerful small-group faith renewal program, designed to help us live the complete Catholic life.

Beginning with your parish or community, the goal of HAPP® is to lead the whole world to the burning love of the Sacred Heart of Jesus through the fire of love of the Immaculate Heart of Mary.

HAPP® is parish-based • easy to implement • short in length
• solidly Catholic • affordable

HOW DOES IT WORK?

Small groups of parishioners (including a retreat coordinator) meet weekly for discussion and to watch accompanying talks on DVD.

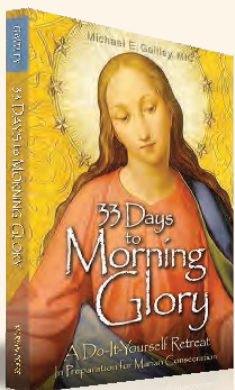

It's that simple. Gather a group of six to twelve people who want to be set on fire with God's love, find a place to meet, and start the program.

HAPP® is life-changing • parish-transforming
• highly recommended • rapidly growing • engaging

“When it comes to catechizing, there is no question that the spoken CD is the right tool. With about 200 different titles and a CD stand, the Lighthouse Catholic Media CDs are a great buy. Left in the vestibule and at each of the exits, people will pick them up and usually leave a donation. But if they don’t, who cares? We’re interested in souls. If there are concerns about expenses, don’t worry; with one CD-listening convert or one lapsed Catholic who returns home, we would probably cover most of our costs in the first few Sunday collections!”

“We gave away books this Christmas to promote additional ways for spiritual growth in the Catholic Faith. Being a convert to Catholicism myself, and knowing what a vital role evangelization materials played in my journey, I wished to grant others that powerful experience. From the responses I received, parishioners were not even aware that these materials exist, and bringing exposure to them by providing them for free has already **opened doors**. These people enjoyed the materials so much that they are either passing them along or are wanting to buy more items for themselves and others! We put a bow on each item, and really played up our goal of stating, ‘This is a gift from our parish to you, for your spiritual growth.’ **The look of delight and gratefulness on their faces was priceless for me to see.**”

This is a truly amazing policy!

- Parishes can exchange CDs that have not moved for NEW CD titles free of charge!
- Just ship your CDs to Lighthouse along with the exchange form, and we will ship you the new Lighthouse CDs of your choice—we even pay the postage to send the new CDs to you!
- There are two exchange levels. We will ship "9 for 10" or "6 for every 10" CDs you return!
- Ask your account manager for the required Exchange Form and details.
