

DECEMBER 2013 FEEDBACK

Diocese: Gaylord

State: MI, US

Media: **Why I am Catholic When I Could be Anything Else (Why Be Catholic?)**

As a convert, Patrick's talk was very inspiring and encouraging to me, to know that I made the right choice to become Catholic. Thanks to Lighthouse Catholic Media and Dynamic Catholic.com, I have learned more about Catholicism than I did through all of RCIA. My faith is deeper, thanks to this "New Evangelization" that I have found with your materials. And each time I listen to a new CD or read a new book, I can't wait to read or listen to another one of your titles. Keep up the good work!

Diocese: Fort Worth

State: TX, US

Media: Angels **Explained: What You Should Know About the Nine Choirs**

Greatest single resource to explain the angels, their structure, their origin, their relationship to us, etc. The chaplet is an excellent resource!

Diocese: Savannah

State: GA, US

Media: **Finding the Fullness of Faith**

I loved hearing how he answered the misunderstandings we have with Protestants, and how we can begin to bridge our differences with them.

Diocese: Colorado Springs

State: CO, US

Media: **Jesus and the Jewish Roots of the Eucharist**

This talk was exceptionally intriguing and educational. Brant Pitre is one of the best speakers I've listened to. I bought the book because of this CD, and it is also incredible. I got **The Fourth Cup** CD by Scott Hahn because of this one, and it is exceptional. Everyone, especially Catholics, should listen to these! It makes you truly appreciate our Faith and its origins!

Diocese: St Louis

State: MO, US

Media: **Our Lives Change When Our Habits Change**

The presentation was wonderful! The biggest benefit I received is that I now keep a Mass journal which has helped me to focus more on the pure message I can receive at each week's Mass. It has also prodded me to return to confession!

Diocese: Orlando

State: FL, US

Media: **Answering Atheism**

I enjoyed the how Ken shared simple solutions that are easy to remember and obvious to point out when debating with an atheist.

State: KE

Media: **Confession**

It brought out very clearly the origin and the purpose of confession. I have benefited more from the talk, particularly on why we must confess regularly.

Diocese: Oklahoma City

State: OK, US

Media: **Jesus and the Jewish Roots of the Eucharist**

I love listening to Dr. Brant Pitre, and found it particularly fascinating to discover how much of our Eucharist goes back to Jewish roots. I have listened to this CD several times and discover something new every time. Thanks so much for all of your CDs!

Diocese: Jackson

State: MS, US

Media: **Contemporary Sainthood**

Motivating - convinced me I can be, and should be, working towards sainthood. I will use this during my retreat for Confirmation. We are a small parish in rural MS (which is only 2% Catholic) and could never afford a speaker. Mr. Hart convinced me I was sitting in the audience!

Diocese: Kingston

State: ON, CA

Media: **The Mass Explained**

This was not what I expected, I was delighted with the content! Truly gave me lots to contemplate... I was at Mass the very next day and was seeing it in a whole new light.
