

# *For* GREATER GLORY

The TRUE STORY of CRISTIADA

## What price would you pay for religious freedom?

An epic new film, *For Greater Glory*, premiered in theaters across the country on Friday, June 1. *For Greater Glory* tells the true story of Mexico's battle for religious liberty and the Catholic Faith that rocked North America in the 1920s.

In *For Greater Glory*, Academy Award® nominee Andy Garcia leads an acclaimed international cast that brings to life the true story of Mexico's Cristero War—a fight for religious liberty in which brave men and women resisted the Mexican government's attempts in the 1920s to destroy the Catholic Church. This powerful film tells how thousands paid the ultimate price for freedom and their Catholic Faith—including martyrs who were canonized by Blessed Pope John Paul II in 2000, and others who were beatified in 2005 by Pope Benedict XVI.

*For Greater Glory* is endorsed by bishops and Catholic leaders around the country. Carl Anderson, the Knights of Columbus' Supreme Knight, said, "*For Greater Glory* is 'must-see' viewing for all those who care about faith and liberty today."

Don't miss *For Greater Glory!* To see the trailer or to book tickets at a theater near you, please visit [www.ForGreaterGlory.com](http://www.ForGreaterGlory.com). If there is high attendance during the first weeks, then the movie will be shown in more theaters across the country, and ultimately this important and relevant message will reach many more Catholics. Please note that this film is rated R for scenes of wartime violence and martyrdom.
