

## JUNE 2014 FEEDBACK

Diocese: Los Angeles

State: CA, US

Media: **Finding the Fullness of Faith**

Thank you so much for Stephen Ray's conversion CDs and other conversion stories. I am cradle Catholic, and now I am on fire again! I can NOT express enough how grateful I am!! Please continue with you amazing work!

Diocese: Los Angeles

State: CA, US

Media: **Remade**

EVERY CATHOLIC needs to listen to this talk! SO many of us can lose the "awe" of what is happening in the Eucharist. I'm giving this CD to every one of my friends to listen to and share with their children. What a gift to the Church Mark Hart is!!

Diocese: Orange

State: CA, US

Media: **Down to Earth**

This might be the finest talk I've ever received from Lighthouse and that is saying A LOT! WOW on so many levels. Mark didn't come across as a professional speaker (which he obviously is, he is unparalleled) but as a brother, a fellow sinner and a man really striving to live like Christ. Just so authentic. I'm going to be buying copies of this for every one of my Catholic friends. It made me get in my car and drive straight to the Church for Confession. What a gift!

State: GA, US

Media: **Down to Earth**

My father is a subscriber to Lighthouse and gave me this talk. I have listened to it four times in five days, and today I went to confession for the first time in 9 years! All I can say is thank you! I hope one day I can thank Mr. Hart in person. It was the last push I needed, and I can honestly say I feel like I'm ready to come back to the Catholic Church and stay.

Diocese: Boise

State: ID, US

Media: **From Atheism to Catholicism: My Conversion Diary**

This is one of the most powerful stories about the Catholic Church and the truth of her teachings. The symbolism of the Catholic Church as the Supreme Court was incredibly powerful, creative and innovative thinking. I have given this CD to many of my friends.

Diocese: Rockford

State: IL, US

Media: **Parenting for Purity**

This is a talk every parent must listen to!

Diocese: Ogdensburg

State: NY, US

Media: **The Seven Pillars of Catholic Spirituality**

This is the best Lighthouse CD I have listened to so far. It's so important to get Catholics back to the Sacrament of Reconciliation. Matthew Kelly puts forth a compelling case.

Diocese: Galveston-Houston

State: TX, US

Media: **Why a Protestant Pastor Became Catholic**

I am a baptized Catholic, raised a Catholic, and attended four years of Catholic high school, but I am never vocal about my faith. I love being Catholic. However, I am too shy or don't know how to defend my faith when it is attacked during gatherings. This CD helps me to be courageous when talking to non-Catholics about my faith. I am very thankful to God for Lighthouse Catholic Media with all their CDs as a wonderful companion on my day to day living.

Diocese: Raleigh

State: NC, US

Media: **Feminine Genius**

The talk was very engaging, using very clear examples from daily life. It then guided the listener through an understanding of what the feminine genius is, rather than what some may perceive it to be. I listened to this with my daughter who is 14. We both enjoyed it and it has provided a springboard for discussions about living out our faith as Catholic women.

Diocese: New York

State: NY, US

Media: **Contemporary Sainthood**

These talks are genius. Pure genius. Transformative as much as they were informative. Wow.

Media: **Born Again? Faith Alone?**

Great talk - learned a lot from it. I have listened to it many times and listened to it with my

sisters. One of them had left the Church, and she is now thinking of coming back to the Catholic Church. Thank you!

Diocese: Maitland-Newcastle

State: NSW, AU

Media: **The Fourth Cup**

I have learned so much from this CD and have learned more about the Bible and our Catholic Faith through these Lighthouse Catholic Media CDs than from any other source. They are truly AMAZING, and I'm fully addicted. I have heard so many now and want to hear many more.

Diocese: Dallas

State: TX, US

Media: **Glimpses Along The Way of the Cross**

I own hundreds of Lighthouse CDs, and this is in the top 3. Fr. Shea allows me to walk with Christ through His way of the cross. I have found so many insights into my own life in these images that have tangible actions to change my life. Each of the stations can be heard alone then meditated on.

Diocese: Charleston

State: SC, US

Media: **Confession**

It has been a long time since I went to confession; I was not sure how to do it anymore. This CD helped me put things back into perspective, and it answered the questions I have been too embarrassed to ask.

Diocese: Rockford

State: IL, US

Media: **The Miracle of Divine Mercy**

I use this CD every evening along with the Most Holy Rosary to complete my evening devotions... needless to say, my age related insomnia has completely disappeared, and I am able to retire in peace...

Diocese: Toronto

State: ON, CA

Media: **The Truth**

Fr. Larry tells it like it is. No beating around the bush. He definitely has inspired me to change my life!

Diocese: Camden

State: NJ, US

Media: **True Devotion to Mary by St. Louis de Montfort**

This talk is probably the best I've heard about true devotion to our Blessed Mother. It was comprehensive and will tell the listener why consecration to the BVM is the surest way to becoming holy. I learned a lot from it. Thank you very much!

Diocese: Camden

State: NJ, US

Media: **Becoming The Best Version of Yourself**

Matthew Kelly is a great speaker. This talk started me on my path to listening to more LH CDs and learning more about my faith and having a better relationship with God and my loved ones.

Diocese: Columbus

Media: **The Lamb's Supper**

Wow! Truly this brings new meaning and appreciation to the whole Mass, and the Communion of Saints.

Diocese: St Petersburg

State: FL, US

Media: **Seven Deadly Sins - Seven Lively Virtues**

This talk spoke to me at one of the worst points in my life and opened my eyes to how committing these same sins over and over were making me miserable. Fr. Barron is the most dynamic, charismatic, and intelligent speaker I've ever heard. After describing each sin, he provides a virtue to develop to counter the sin.

Diocese: Atlanta

State: GA, US

Media: **Remade**

I was recently introduced to Mark Hart. This guy is phenomenal. This talk blew my mind! I can't wait to read his books.

State: CA

Media: **Pray Like a Saint**

From beginning to end, this talk was so enlightening and refreshing! As I was praying and meditating on it, I was feeling constantly encouraged to deepen my personal prayer!

Diocese: Orlando

State: FL, US

Media: **Angels Explained: What You Should Know About the Nine Choirs**

I have always known there are guardian angels in our midst, but now I understand their purpose and importance! After listening to this CD, I pray the chaplet of St. Michael every morning before praying the rosary. I have listened to this CD over and over and have shared it with family and friends.

Diocese: Orlando

State: FL, US

Media: **Born Again? Faith Alone?**

I have several of Stephen Ray's CDs and enjoy them all. This topic was very informative.

Listening to this CD makes learning about the history of the Church fun. Steve is an engaging speaker, and his CDs are perfect listening for my commute to and from work.

Diocese: Syracuse

State: NY, US

Media: **Which Came First - the Bible or the Church?**

I have a friend who loves to quote the bible and has much misinformation about its history. After listening to this CD a number of times, I'm ready to share it with her. Thank you for this wonderful resource.

Diocese: St Paul

State: AB, CA

Media: **Abraham Revealing the Historical Roots of our Faith**

I have so much to learn. I believe now that I need to begin with learning the history of our Faith.....and believe me....this has me hungry for more. I cannot leave this website for too long and I am drawn back. I have purchased whatever I could afford and look forward to expanding my library. Just keep praying for inspiration to put out more material such as this. Wow...you at Lighthouse Catholic Media and Relevant Radio impress and inspire me every day!

Diocese: San Jose

State: CA, US

Media: Defeating **Satan's Deadly Weapon Against Men**

The steps on this talk to help with pornography are really useful and can be applied to many other bad habits, not just pornography. To have someone who has struggled with the same problem as the listener really helps a lot.

Diocese: Chicago

State: IL, US

Media: **Discerning God's Will**

Fr. Larry provides a very simple talk that is truly inspiring. I really enjoy his sense of humor.

Diocese: Philadelphia

State: PA, US

Media: **Rising Above: From Tragedy to Triumph**

John O'Leary spoke with honesty, humor, love and humility. His story touched my heart with a desire to change. Thank you, Lighthouse Catholic Media. I have listened to many of your CDs and find them so nourishing -- some educate, some illuminate and some help to transform. This one inspires and ignites. I can't wait to share this CD with my family and put this faith, hope, and love for God into practice.

Diocese: Philadelphia

State: PA, US

Media: **God Will Provide**

Wonderful testament to keeping hope and faith alive.

Media: **The Mass Explained**

I loved everything about this talk. I was driving around town one Saturday when I played the CD. It struck something inside of me that caused non-overt tears within me. It made me go to confession even before I finished the CD within that same day. It made the Mass more meaningful and beautiful for me. I loved it tremendously!
