

Respond to **relativism** *with* logic and love

How do we talk about morality in a world that no longer believes in truth? When we're bombarded with messages of "Be tolerant!" and "Don't judge!" many people feel afraid to say anything is right or wrong.

In this 8-part study program, Dr. Edward Sri uses engaging stories and the wisdom of the saints to unpack the Catholic moral worldview, and he equips us to engage relativism, appealing to both the head and the heart.

Learn how Catholic morality is all about love, how making a judgment is not judging a person's soul, how to share the truth with compassion, and how, in the words of Pope Francis, "relativism wounds people" and is "the spiritual poverty of our times."
