Walk the Walk Following Christ as His Disciple *Dr. Timothy Gray*

Being a disciple of Jesus has always been synonymous with being a Christian. From the Scriptures and from his own experience, biblical scholar Dr. Timothy Gray explains how Christian discipleship calls us to follow in the footsteps of Christ as engaged participants in God's plan, ordering our lives to bear witness to the Lord in our families, workplaces and communities, and to the world.

"Dr. Gray challenges me to 'walk the talk' if I truly want to be a disciple of Jesus... It clearly sets forth what we must do to follow Christ!" *Julie - St. Petersburg, FL*

"I always thought that Christians were boring and uninteresting, but after listening to Dr. Gray I now realize that being a Disciple of Christ is exciting and even dangerous at times! Great CD." *Steve - Chantilly, VA*

"It's really very simple—Christ is the answer to all our problems. Now go and share this truth with the world and observe the results!" *Julie - Sterling, VA*

"The scripture examples were perfect for driving home the point that following Jesus at distance can lead to denying Him. I've listened to this CD three times and each time I get something different to reflect on in my spiritual life!" *Mari - Tampa, FL*

"Dr. Gray not only explains practical ways to 'walk the walk', but more importantly he addresses spiritual obstacles that may keep us from being the disciple we're each called to be." *Sylvia - Pelham, AL*
