SIGNS OF LIFE

CATHOLIC CUSTOMS AND THEIR BIBLICAL ROOTS

Dr. Scott Hahn

Dr. Scott Hahn, beloved Catholic author, professor, and speaker celebrates the touchstones of Catholic life, guiding readers to a deeper faith through the Church's rites, customs, and traditional prayers.

This thorough and yet approachable guide to Catholic practices unveils the deep scriptural roots of our faith to help us better understand and, consequently, cherish our Catholic identity. Whether the reader brings questions, a latent faith, or a lifelong commitment, they are sure to be inspired and educated!

"Lifelong Catholics realize that it usually takes a convert to help us appreciate and better understand the customs and practices we too often take for granted. Scott Hahn does just that in this immensely readable yet substantive loving look at Catholic prayer, devotions, and beliefs."

Timothy Cardinal Dolan, Archbishop of New York

"There is genius in Catholicism and once again Scott Hahn unveils it like the masterpiece that it is. Every chapter of *Signs of Life* is filled with insights and practices that will change the way you live your life and celebrate your faith."

Matthew Kelly

"Things done for too long can become a habit—and habits have a way of losing their meaning. In this long-awaited treasure of a book, Scott Hahn reveals the historical and biblical roots of so many Catholic practices. Finally, Catholics will not only know what to do but why they do it."

Raymond Arroyo, *New York Times* bestselling author and host of EWTN's *The World Over Live*

"Professor Hahn's purpose is both devotional and apologetic. In showing how Catholic popular piety is scripturally grounded, he explains practices that shape Catholic life and help us grow in grace. This is a book that will be helpful to individuals and to the Church as a whole."

Francis Cardinal George, OFM, Archbishop Emeritus of Chicago

"For decades non-Catholics and even some perplexed Catholics have questioned a number of the beliefs and especially the devotional acts of the Catholic Church. Scott Hahn addresses these questions in *Signs of Life*, producing crystal-clear explanations of the Church's traditional practices. His own background as a convert makes him the perfect person to write this book."

Fr. Benedict J. Groeschel, CFR

- Holy water
- The Sign of the Cross

INTO HIS LIKENESS

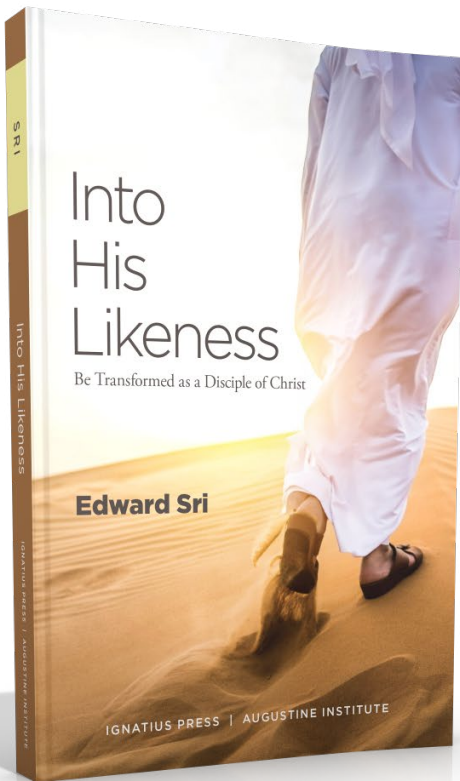

BE TRANSFORMED AS A DISCIPLE OF CHRIST

Dr. Edward Sri

Dr. Edward Sri provides an approachable but in-depth exploration of what it means to be a disciple of Christ. At the outset, he emphasizes the importance of every Christian's developing the desire to be a true disciple

of Christ and gives the reader a first glimpse of what the life of a disciple looks like. As the book progresses, he unfolds what a true encounter of love with Christ entails and explores the transforming power of God's grace. He also offers for consideration the four habits of a disciple: prayer, the breaking of bread (the Sacraments), fellowship, and the teaching of the Apostles. The book concludes with a powerful call to fulfill every Christian's mission of evangelization. *Into His Likeness* is a down-to-earth and tremendously valuable handbook for anyone wishing to pursue Christ wholeheartedly.

"Too many people have a cold, impersonal faith. In *Into His Likeness*, Dr. Edward Sri shatters this view and leads us on a breathtaking journey into a personal relationship with Jesus."

Jennifer Fulwiler, author and radio host

"Sri offers a roadmap to aid the disciple of Jesus through their lifelong transformation in Christ. Theologically rich and eminently practical, this book provides the basis for hours of fruitful discussion."

Curtis Martin, founder of FOCUS

"Great book. It really touched my soul and gave me many things to think about and reflect upon."

EL ANILLO ES PARA SIEMPRE

(THE RING IS FOREVER)

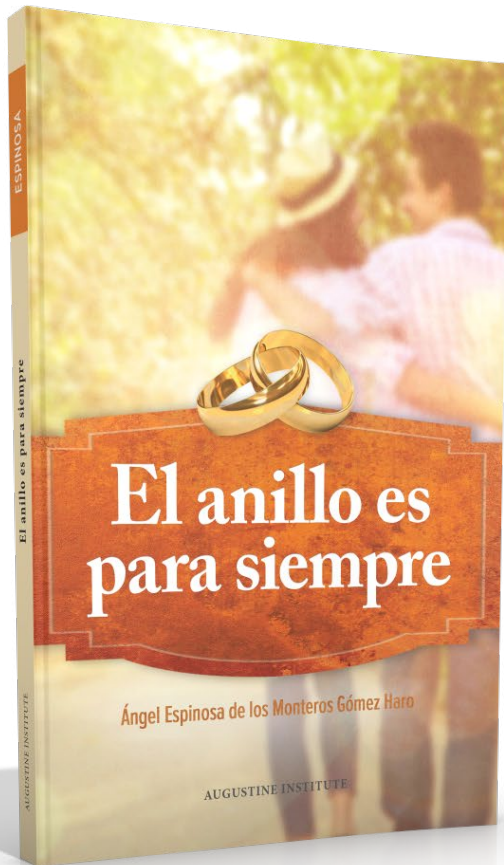

**Padre Ángel Espinosa de los
Monteros Gómez Haro**

For the first time ever, we are excited to offer a Spanish language book that is not a translation of a previously released English title. This book was written in Spanish by a native speaker specifically for the Spanish-speaking world.

A wedding ring is something very special, and we normally wear it at all times because it signifies the most important things in our lives. It symbolizes our marriage relationship, our family, our children, our home, and the blessings of God, as well as many other things. Fr. Ángel asks: “How can such a small object—a ring—signify something so great: love and fidelity?”

In these pages, he offers us the answer. With a simple approach to the marital commitment, and using the visible appearance of the wedding ring, Fr. Ángel teaches us about the profound plan that God has for marriage. In his unique style, he brings us from tears to laughter, oftentimes on the same page, to remind us that, like the ring, marriage is forever.

Fr. Ángel Espinosa de los Monteros Gómez Haro is a Catholic priest who was born in Puebla, México. He has a degree in the Classical Humanities from the Instituto de Estudios Humanísticos de Salamanca in Spain. He studied philosophy in the Pontifical Gregorian University and theology in the Ateneo Regina Apostolorum in Rome from which he received a degree in Moral Theology and another in Bioethics. Since he was ordained as a priest in November 1994, he has worked as a youth counselor and later as a family counselor in Mexico, Colombia, Italy, and France. Fr. Angel has given more than 2000 conferences around the world on the topics of the family, family values, and spirituality. His internet talks have received millions of visits, and he is one of the most popular Catholic speakers in the Spanish-speaking world.
