

## JULY 2014 FEEDBACK

Diocese: Rockford

State: IL, US

Media: **Evangelizing Catholics**

Scott Hahn and many other of the contributors make an often complicated or confusing topic simpler and clearer to understand. What I really like is that they use Church doctrine, along with scriptural content, to support their teachings. Lighthouse makes learning and strengthening of faith convenient in such a busy world. I never thought I would be comfortable evangelizing, but sharing books and CDS makes it a whole lot easier. And lastly, when I sometimes get lost in my own faith, God brings me back around through one of your CDS. The topic always seems to be relevant to the current situation. Thanks and God bless you all!

Media: **Don't Just Try, Train**

Very inspiring! This was my first Lighthouse CD. The front of my truck has a stack of such CDs now and it is growing weekly!

Diocese: Galveston-Houston

State: TX, US

Media: **The Healing Power of Confession**

Our Evangelization Committee looks for CDs to give out free to parishioners to encourage growth in faith. This is definitely one we want to include!

Diocese: Austin

State: TX, US

Media: **Jesus and the Jewish Roots of the Eucharist**

As someone trying to learn more about my faith, I enjoyed the clear, simple presentation that I was able to follow easily. I enjoyed it so much I ordered the book. Thank you!

Bishop Sheen's wisdom and understanding of the Scriptures is truly inspiring and clearer than ever! It really opened my eyes to the beauty, power, and importance Easter has on our Faith.

Diocese: Baltimore

State: MD, US

Media: **Searching the Scriptures: The Gospel of John**

This created a greater love and deeper understanding of my faith. Most of all, I'm eager to learn more. Thank you for making these CDs available. I want to share them with my family and friends.

Diocese: Syracuse

State: NY, US

Media: **What's So Great About Being Catholic?**

I really liked his humor and also his great passion in how he delivered the talk, and the examples he gave were really inspiring!! It was the first Lighthouse CD I had ever listened to, and I'm soooo glad I did!!

Diocese: St Paul and Minneapolis

State: MN, US

Media: **Finding the Fullness of Faith**

It gave me a better understanding on how to approach people of other religions, especially Protestants, to come back to the fullness and beauty of Holy Mother Church. It also gave me a clearer understanding of the beginning and foundations of the Church.

Diocese: Savannah

State: GA, US

Media: **Down to Earth**

This was a great teaching tool. We were travelling with our 11 and 13 year-old daughters and were able to use this as a teaching tool for them. They loved the teaching and how it connected to their lives.

Diocese: Syracuse

State: NY, US

Media: **How to Bring Fallen Away Catholics Back to the Church**

Everything about this talk was phenomenal. It isn't enough to listen to it twice! Definitely a talk that will be heard again and again until it sinks in permanently.

Diocese: Atlanta

State: GA, US

Media: **The Bible Made Me Do It**

This talk was down to earth and totally understandable. I think that anybody listening to this would convert immediately!

State: CO, US

Media: **The Healing Power of Confession**

This has been the best thing a family member shared with me. It changed me. Absolutely amazing! Dr. Scott Hahn is amazing!

Diocese: Cincinnati

State: OH, US

Media: **The Lamb's Supper**

I don't understand how being a Catholic for 64 years and taking a Revelation bible study, why I have never heard this before. It brings a much deeper meaning to Mass. If more Catholics understood this, maybe reverence would be restored to the Mass like it was in the 50's.

Diocese: Galveston-Houston

State: TX, US

Media: **Raising Amazing Children**

Matthew Kelly gives very practical tips that every family can work on and that can greatly improve family life. I definitely want to give out this CD to families in our parish.

Diocese: Colorado Springs

State: CO, US

Media: **Jesus Is...**

Fr. Mike's sense of humor is refreshing and his way of explaining the reality of God and divinity of Jesus is just awesome. Everyone should listen to it!

Diocese: St Paul and Minneapolis

State: MN, US

Media: **Born Again? Faith Alone?**

Stephen Ray provided great arguments to defend the Church and her teachings on Purgatory, the Sacrament of Baptism, and the Faith in general. A great tool for evangelizing Protestants and fallen-away Catholics!

Diocese: Phoenix

State: AZ, US

Media: **The Lamb's Supper**

Having never read Revelation in its entirety, I found this very educational. After the talk, I went directly to [masstimes.org](http://masstimes.org). I want to go to Mass again as soon as possible!

Diocese: Phoenix

State: AZ, US

Media: **Meet Kids 4 Jesus**

Really fun songs with Catholic teaching for little ones. My 3-year-old kept saying "Oh, I like this one!" He can learn about the faith while I fold laundry!

Diocese: Madison

State: WI, US

Media: **Keep Holy the Sabbath**

Of all of the numerous CDs I have gotten from Lighthouse Catholic Media, this is one of my favorites!

Diocese: New Orleans

State: LA, US

Media: **Jesus the Bridegroom: The Greatest Love Story Ever Told**

I have so savored this CD. Dr. Pitre's insights are amazing. I have listened to this CD at least four times and have shared it with others who have the same opinion.
