## FINDING TRUE HAPPINESS

VENERABLE FULTON J. SHEEN

Most people are still actively searching for true and lasting happiness, but are looking in the wrong places. It's easy to be misled into believing that happiness is found in money, rank, or renown. While these things are not inherently bad, and can in fact be used to do much good, in the final analysis they will not bring a happiness that endures. Once we realize that nothing less than a complete union with God will satisfy our souls, we will not let transitory things distract or disappoint us.

In this inspiring book, Venerable Fulton J. Sheen addresses the topic of joy and pleasure, and helps us gain the right perspective on loneliness, the secret of sanctity, and more. This brings us to our ultimate purpose, which is found in God alone.
