Salvation: What Every Catholic Should Know

Dr. Michael Barber

At every Sunday Mass, Catholics confess that Jesus came down from heaven “for us men and for our salvation.” But what does “salvation” mean? In this robust and accessible book, Scripture scholar and theologian Michael Patrick Barber provides

a thorough, deeply Catholic, and deeply biblical, answer. He deftly tackles this complex topic, unpacking what the New Testament teaches about salvation in Christ, detailing what exactly salvation is, and what it is not. In easy and readable prose, he explains what the Cross, the Church, and the Trinity have to do with salvation. While intellectually stimulating, *Salvation: What Every Catholic Should Know* is deeply spiritual, and at its core is the salvific message that God is love, and his love is one of transformation and redemption.

Praise for *Salvation: What Every Catholic Should Know*

“What does it mean to be ‘saved’? I have often been asked this question. Michael Barber gives the much needed and impressively thorough answer. It fills a lacuna in Catholic literature! It is well-grounded in scholarship but written in a manner that is accessible to every baptized Christian.”

—Nina Sophie Heereman,

Assistant Professor of Sacred Scripture,
St. Patrick’s Seminary and University

“Dr. Barber has given us all a very precious gift: a book that shows both what Jesus Christ came into this world to save us from and, equally important, what he came to save us for.”

—Dr. Brant Pitre,

Distinguished Research Professor of Sacred Scripture,
Augustine Institute Graduate School of Theology

Tengo Sed: 40 días con la Madre Teresa

Padre Joseph Langford, MC

St. Teresa of Calcutta was a woman known and loved for her tender work among the poorest of the poor. Behind her drive and desire to serve Christ's poor was a profound understanding of the thirst of God for man, and man's thirst for God.

This guided meditation on Scripture and the teaching of Mother Teresa will lead those who read it into the heart of the mystery of God's thirst for souls, and how man can meet the Lord's thirst. Fr. Joseph Langford, an intimate friend of Mother Teresa's and a co-founder with her of the Missionary of Charity Fathers, leads the reader into Mother Teresa's love of God, and helps foster the love of God in the heart of the reader.

I Thirst provides an opportunity to spend a few minutes every day with Mother Teresa and the thirst of our Lord. It provides an opportunity to grow in intimacy, and to meet the thirst of God with our own thirst for him.

Praise for *Tengo Sed: 40 días con la Madre Teresa*

“Fr. Langford’s reflections take us into the heart of Mother Teresa’s spirituality. Based on his close relationship with Mother and his own contemplation and teaching on this theme, these meditations help us encounter God more in our thirst for Him and His thirst for us.”

—Dr. Edward Sri,
Vice President of Formation,
Fellowship of Catholic University Students

Trouble with Lent

Paul McCusker

In *Trouble with Lent*, the Perry twins are celebrating Lent at school, at church, and with their family. The family discusses what they will be giving up for Lent, and Nick and Sam experience some struggles with their choices throughout the Lenten season. A new boy, Riley, joins their class. He's obsessed with Bigfoot, and he and Nick get into some strange adventures seeking the famous creature. Sam enters the school spelling bee, and she struggles with temptation when someone tries to help her cheat. The kids learn about temptations, sacrifices, poverty, and the love of Jesus along the way. The chapters follow the calendar for the season of Lent and lead right into the joy of Easter Sunday.

About the series

Nicolas (Nick) and Samantha (Sam) are twins in the Perry family. Over the summer, they moved with their parents, their brother Andrew, and their sister Lizzy, to Hope Springs, a fictional town in the mountains of Colorado. *The Adventures of Nick and Sam* is a multi-faceted series of stories that explores living the Catholic faith in the modern world. It presents the adventures of the twins, their family, their friends, and the people they encounter at school, church, and in town. It portrays Catholic culture easily and normally, and provides opportunities for readers to think about the consequences of words and actions. Hope Springs was introduced as a series of short stories in the *Signs Of Grace* catechetical workbooks, and now includes novels for first readers under the banner *The Adventures Of Nick & Sam*. The world of Hope Springs also appears in the grown-up novel *Blue Christmas*. The likeable and engaging characters reflect the sensibilities and struggles of being Catholic in a quirky small town, living out their faith at St. Clare of Assisi Catholic Church and School. The characters' many adventures with their neighborhood friends and adversaries make the teachings of the Church come alive. The series is written similarly to the *Adventures in Odyssey* and *Magic Tree House* series. It is recommended for readers ages seven and up, but can also be read by parents to younger children.
