“ This might be the best book I have ever read. Brant Pitre does an amazing job showing how to see Mary through the lense of the Jewish faith...this is for Catholics and Protestants who are interested in learning about Mary, with no shortage of examples from the Bible. **Everyone needs to read this book!**

## Jesus and the Jewish Roots of Mary: Unveiling the Mother of the Messiah

DR. BRANT PITRE

Are Catholic teachings on Mary biblical? Or are they the “traditions of men”? Should she be called the “Mother of God,” or just the mother of Jesus? By praying to Mary, are Catholics worshipping her? And what does Mary have to do with the quest to understand Jesus?

In *Jesus and the Jewish Roots of Mary*, bestselling author of *Jesus and the Jewish Roots of the Eucharist* Dr. Brant Pitre takes readers step-by-step from the Garden of Eden to the Book of Revelation to reveal how deeply biblical Catholic beliefs about Mary really are. Dr. Pitre uses the Old Testament and Ancient Judaism to unlock how the Bible itself teaches that Mary is in fact the new Eve, the Mother of God, and the new Ark of the Covenant.

“This book is vintage Brant Pitre: **clear, persuasive, readable, and above all, inspiring.** It causes us not only to know more about the Mother of God, but also to love her more.”

DR. SCOTT HAHN

Author of *The Lamb's Supper* and *The Fourth Cup*

“I did not think a single book could be written about Mary that would excite and unite Catholic and Protestant readers – scholars, clergy and laity alike. What Pitre does with the Bible and Marian typology is clear and compelling. A joy to read, this is the best biblical study of Mary I have ever read. **A true masterpiece.**”

JENNIFER FULWILER

Author of *One Beautiful Dream*

“Brant Pitre takes important theological truths and makes them not only interesting, but exciting. **This book will revolutionize your understanding of the most important woman in history.**”
