## A BIBLICAL UNDERSTANDING OF MARY

DR. SCOTT HAHN

**Dr. Scott Hahn reveals the biblical basis for the Catholic teaching on Mary, the Blessed Virgin**

### MARY, MOTHER OF MERCY

Beginning with the Gospel of Saint John, Dr. Hahn shows how the Scriptures illuminate Christ's mother as the fountain of Mercy.

### MARY, QUEEN OF ANGELS

In God's plan of salvation, the simplest peasant girl of Nazareth, the mother of Christ, becomes Queen of Heaven, above even the Angels.

### THE IMMACULATE CONCEPTION

Dr. Hahn tackles what was, for him as a Protestant, the most difficult Marian doctrine: that Mary was, through a special grace from God, born free from the taint of original sin.

### MARY, ARK OF THE COVENANT

Just as the Ark of the Covenant carried within it the written covenant between God and the Israelites, so too, Mary carried within her womb Jesus, the New Covenant of salvation for all the world.
