SALVATION IS FROM THE JEWS

ROY H. SCHOEMAN

This book traces the role of Judaism and the Jewish people in God's plan for the salvation of mankind, from Abraham through the Second Coming, as revealed by the Catholic Faith and by a thoughtful examination of history. It will give both Jews and Christians a deeper understanding of Judaism, both as a religion in itself and as a central component of salvation history.

The book examines the unique and central role Judaism plays in the destiny of the world. It documents that throughout history attacks on Jews and Judaism have been rooted not in Christianity, but in the most anti-Christian of forces.

Areas addressed in depth include the Messianic prophecies in Jewish Scripture, the very anti-Christian roots of Nazi anti-Semitism, the links between Nazism and Arab anti-Semitism, the theological insights of well-known Jewish converts, and the role of the Jews in the Second Coming.

"A must-read for Jews and Gentiles! Tracing the relationship between Judaism and Christianity, this book gives readers a better understanding of the Scriptures from the beginnings of the Jewish people, and examines the historicity of the prophecies about the coming of the Messiah in the Old Testament and in the Talmud."
