REDISCOVER CATHOLICISM

MATTHEW KELLY

ALSO AVAILABLE IN
SPANISH

First published as *Rediscovering Catholicism* in 2001, this book spent more than seven years (364 weeks) consecutively on the Catholic Book Publishers Association bestsellers list. In 2010, a revised and expanded version was published under the new title *Rediscover Catholicism*. Other than the Bible, it is the all-time bestselling Catholic book in America.

Over the past twenty years, Matthew Kelly has seen more of the world than most presidents and more of the Church than most bishops. In this unique and timely book, he proposes that Catholicism is not a lifeless set of rules and regulations, but a way of life designed by God to help each person reach his or her full potential. With remarkable insight, Matthew dispels dozens of the myths that surround the rejection of Catholicism today and provides a profound and practical vision of what will lead the Catholic Church to thrive again in the future.

At a time when many Catholics are disillusioned, questioning their faith, and filled with doubts about the relevance of Catholicism in the modern world, the voice of one man cries out to the world's largest faith community with a clarity that is rare and inspiring.

"Matthew Kelly writes about the Church in an engaging style that invites us to put the faith at the center of our lives. His presentation of holiness as the essential purpose of life, and only source of authentic happiness, challenges each of us to reflect on our response to the Lord's call."

~Francis Cardinal George, Archbishop of Chicago
