THE HIDDEN POWER OF KINDNESS

LAWRENCE G. LOVASIK

You're almost certainly not as kind as you ought to be—and your relationships with God and those you love may be suffering as a result. Probably you just can't find the time—and can't ever seem to develop the patience—that you need in order to be consistently kind amidst the irritations that afflict you daily. That's why this book is such a godsend.

There's nothing complicated or magical about learning to be kinder; it just takes greater attention to the things that you do and how you do them. These pages show you how to become more aware of even your most offhand daily actions. You'll find simple, step-by-step, and spiritually crucial directions for how to overcome the habitual unkindnesses that creep—undetected—into the behavior of even the most careful souls.

If you want to make progress in the spiritual life, you can't afford to miss the bracing insights in this handbook for souls who yearn to be kinder. They'll give you years of solid help in overcoming sin so that, finally, you'll live more fully with others and more fruitfully in God's love.

"This wonderful book increases our insights into the wonders of the message that speaks so powerfully to us: 'Love is patient, love is kind . . .'"
