Reach People Where They Are

When sharing the Good News of the Catholic Faith, we must reach people where they are. But what does this really mean?

Evangelization and Catechesis Today

Tools for parishes today are often limited to reach only those members of the parish who are highly engaged and physically present.

Existing parish programs do a great job of continuing to develop Catholics who are already at the core of the parish community, but effective faith formation must go beyond that.

ENGAGEMENT IN OUR PARISH

Imagine how a parish community would look if it had the resources to reach both the engaged and the disengaged, the formed and the unformed.

Watch, Read and Listen... Anytime, Anywhere.

Why are we considered the Netflix or Amazon Prime of the Catholic media world?
Because FORMED® can truly reach your parishioners anytime and anywhere.

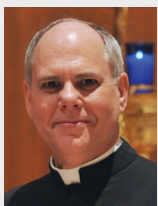

“The content is essential to help my leaders forge their way. It helps a youth minister do just that: minister. It is incredible.”

Jen Conrad | Director of Youth Ministry

“Folks who hadn’t been to confession in years were moved to return to the Sacrament. I heard the confessions of folks who had been away for 5, 10, and 20 years. Because of the series, one person was moved to come to confession after 40 years! God be praised for all of the gifts that this program has given to us!”

Father Joseph Cooper | Pastor

One Solution. Many Fruits.

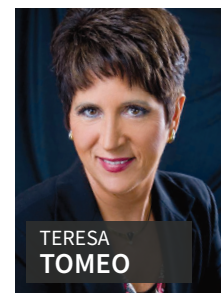

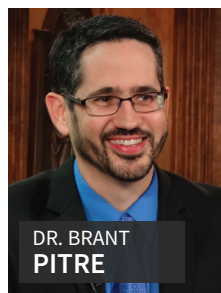

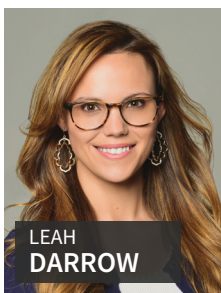

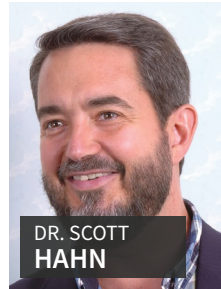

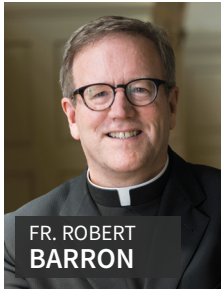

- ① Help your parishioners learn, live, and share their faith.
- ② Engage those who may be disengaged from the parish and help draw them into the community.
- ③ Give parishioners an easy way to discover the answers to the questions they are asking.
- ④ Provide teaching that appeals to every type of learner: Watchers, Readers, and Listeners.
- ⑤ Bring your existing evangelization and faith formation programs to the next level.

“This is a true blessing to our parish. It presents the faith in a lively fashion that keeps people’s interest...and it is direct in addressing some of the more difficult problems. Several times during the course of the year, catechumens would say that the presentation directly addressed their situation. Thank you for this wonderful tool.”

Deacon Tim McEvoy | RCIA Coordinator
