Dear Friends in Christ,

When St. Peter's nets were bursting with fish, he beckoned his partners, Sts. James and John, to bring their boat over and help him with the greatest catch of their lives, thanks to Jesus. This story captures the spirit of why Lighthouse Catholic Media became a member of the Augustine Institute family a few months ago. Having already been partners, our two organizations realized that we could serve more souls better by bringing our partnership into the unity of a single organization. As Lighthouse Founder Mark Middendorf puts it, "We want to reach more souls for Christ."

The Lighthouse Catholic Media and Augustine Institute merger is not a Wall Street story of mergers and acquisitions. Rather, this is an extraordinary story of two apostolates already working in unity and harmony, being further called by Christ to bring their efforts together more deeply. **Our single mission is simple: we want to help Catholics understand, live, and share their faith.** This catalog is our first opportunity to show you how our organizational unity can provide you with a wealth of resources for you and your parishioners to better **understand**, more practically **live**, and effectively **share** our beautiful faith.

UNDERSTANDING

St. Paul exhorts us in Romans 12:2 not to be conformed to this world but to be transformed by the renewal of our minds. Our culture is in the throes of the greatest intellectual and moral confusion in the history of the Church. Truth is endangered, and it is the key to genuine human living and thriving; without it our way is lost. This is why we focus on teaching the truths of Scripture and our Catholic faith in everything we create, from our Parish Programs, to our books and CDs, to our Distance Education Program.

LIVING

As we read in John 8:32, the Truth sets us free. We are convicted that understanding the Truth leads to better living. We don't just teach about the beauty and dignity of marriage in our *Beloved* series, for example; we also teach the practical skills that enable us to live deeply and well the tremendous vocation of married love. Our aim is to offer resources that will help you translate the truths of our faith for your parishioners into real-life application, in turn helping to build a vibrant and thriving Catholic culture.

SHARING

We provide the beauty and truths of our faith from the most compelling and trusted Catholic presenters and teachers across a broad range of topics and a variety of media to make it easy for you to share its splendor with family, friends, and co-workers. Innovative channels like our Kiosk and FORMED make evangelization as easy as handing someone a great book, or providing 24/7 online access to audio talks, feature films, eBooks, and video-based study programs. If we all do that, with faith in Christ, St. Peter's nets will start filling up again!

Shalom,

A handwritten signature in black ink.

CD OF THE WEEK

SHARE THE FULLNESS OF THE FAITH WITH YOUR PARISHIONERS

The CD of the Week program combines the influence of the pastor with the power of Lighthouse Talks to maximize the reach of these life-changing CDs. Using a list of recommended titles, each week the pastor highlights a different Lighthouse Talk and encourages parishioners to pick one up after Mass (parishioners donate to offset the cost).

A SIMPLE 3-STEP PROCESS

1 ANNOUNCE THE CD OF THE WEEK

Share about the program at each Mass to generate interest and enthusiasm using a sample announcement.

2 CREATE BUZZ BY GIFTING THE FIRST CD

Offer every parishioner the first CD for free and encourage them to just push play!

3 FEATURE A NEW CD WEEKLY

Promote a different CD each week and invite your parishioners to get one after Mass.

To learn more contact your Parish Consultant or call (866) 767-3155.

“ We started CD of the Week three weeks ago, and it's going great! We have already heard stories of parishioners's positive experience with the CDs. A woman came up to me recently and said, 'Please tell me you will never stop doing CD of the Week! My husband used to come to Mass every once in a while . . . and now he never misses. Every week he runs straight to the Lighthouse kiosk to get his CD so he can listen to it on his commute throughout the week.' We are excited to see what else the Lord will do in this outreach! ”

Coordinator of Evangelization and Adult Formation

GRADUATE SCHOOL OF THEOLOGY

UNPARALLELED TRAINING FOR NEW EVANGELISTS

“The great value of the Augustine Institute is that it’s fundamentally, unapologetically missionary. It never forgets its main purpose: to graduate mature, motivated Catholic lay men and women—people who want to win the world for Jesus Christ, and have the brains, skills, energy, and courage to do it.” — ARCHBISHOP CHARLES CHAPUT OF PENNSYLVANIA

CAMPUS IN DENVER

“From enjoying God’s creation, to volunteering with all kinds of amazing, local Catholic apostolates, to discussing theology with my professors over lunch, it has been such an unbelievable experience studying here in Denver.”

— GINA OF COLORADO

BE A PART OF THE “REVOLUTION”

There’s something big happening in Denver. After Pope St. John Paul II visited for World Youth Day in 1993, he called Denver the “revolution” and marked it as a unique center of energy for the New Evangelization. Twelve years later, the Augustine Institute opened the doors of its Graduate School of Theology in Denver and has been educating and empowering lay and religious leaders in the Church ever since.

To discover the many reasons for pursuing a graduate degree in Theology in Denver, contact Katie Murray Director of Admissions at (303) 937-4420 x. 110, or visit augustineinstitute.org/learn.

DISTANCE EDUCATION

“Every day I utilize the formation I received in some fashion. Rebuilding the Catholic culture has become central to my life and I would not be able to work towards this goal without learning what I did from the Augustine Institute.”

— JENNY OF MINNESOTA
