Answering Atheism

Ken Hensley

How can we evangelize an unbelieving world? In this talk, Ken Hensley uses simple, effective logic to show how the atheistic worldview inevitably leads to contradictions that can't hold up to sound reasoning. After hearing this talk, you will be empowered to conclusively demonstrate how unbelief leads to the destruction of morality, meaning, and even knowledge.

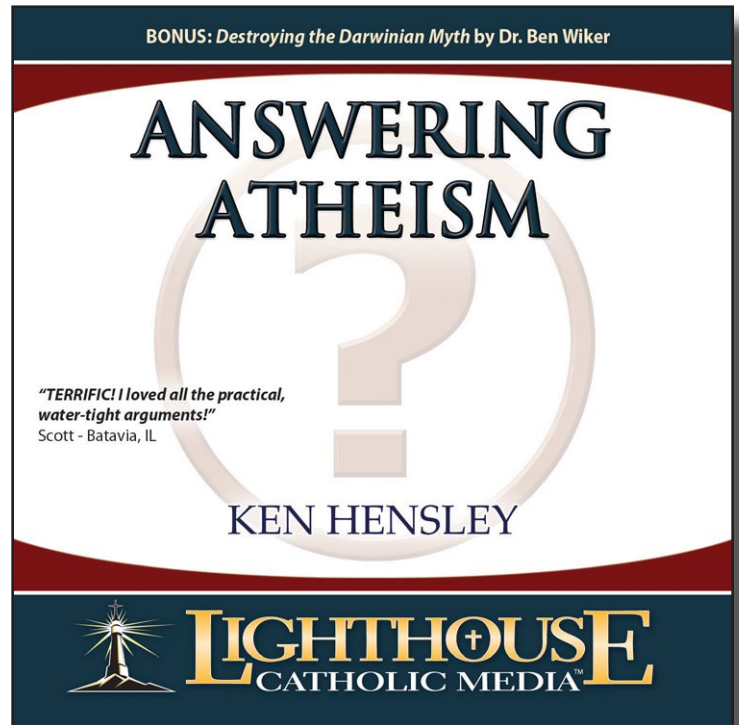

"Absolutely required knowledge for anyone who loves God and His Church. I'll listen to it over and over again!"

"Excellent CD! Ken Hensley clears the air on an issue that pervades the intellectual world. I wish I had twenty copies to give away today!"
Rosemary - Ottawa, KS

"Ken Hensley caused me to send this to my brother, the agnostic who thinks he's an atheist. It made a difference, and Ken made us laugh, too! I encourage anyone with a family member or friend who 'thinks' they don't believe in God to challenge them to give this a listen."
Charlie - Falls Church, VA

"TERRIFIC! I loved all the practical, water-tight arguments against atheism and look forward to incorporating them in my own evangelistic opportunities."
Scott - Batavia, IL

"A very enlightening talk about atheism and how atheist beliefs are inconsistent with themselves."
Julie - St. Petersburg, FL

"This presentation will help us to evangelize in a gentle, loving manner to not only atheists, but also to Catholics and other Christians who have succumbed to secularism and relativism."
Julia - Mastic Beach, NY

"An intriguing analysis into the mindset of unbelievers."
Julie - Sterling, VA
