YOUNG PEOPLE TODAY ARE EXPERIENCING A CRISIS OF FAITH

YDisciple® is a unique youth ministry program designed to meet the challenges of youth ministry today.

- Only 17% of young adults between the ages of 18 and 26 attend Mass on a regular basis. - CARA
- Research shows that the majority of college-age atheists embraced atheism between the ages of 14 and 17. - FIXED POINT FOUNDATION
- 79% of those who have dropped the name "Catholic" and claim no religious affiliation of any kind have done so by age 23, even though many of them were involved in parish youth ministry during their high school years.

- FORMING INTENTIONAL DISCIPLES, SHERRY WEDDELL

YDisciple® allows faith to be woven into the daily lives of teens, with peer relationships and mentorship, focused on the making of disciples.

ARCHBISHOP CHARLES CHAPUT OF PHILADELPHIA

"I've admired the Augustine Institute™ for years as one of the finest engines of the New Evangelization in North America."

THE SOLUTION

A small group environment with the involvement of adult mentors is optimal for successfully forming teens.

YDisciple® is designed to provide effective and dynamic youth ministry with little to no dedicated staff. This makes it perfect for the 88% of parishes that don't have full-time professional staff, and an ideal complement for those that do.

SMALL GROUP DISCUSSION RESOURCES

YDisciple® equips and facilitates small group discussions with weekly studies, activities and training.

■ **STUDIES** These include high quality videos from today's best youth experts, as well as Leader Guides, Teen Sheets, and Parent Sheets.

■ **ACTIVITIES** These sessions reinforce a Catholic way of life and are community builders, social events, prayer experiences, and service projects that occur every 4–6 weeks.

■ **TRAINING** These sessions are designed to help discipleship group leaders build meaningful relationships with teens and facilitate faith sharing using the YDisciple® resources.

YDisciple® is available through an easily accessible online platform with access to studies, videos, activities and training information.
