Jesus and the Jewish Roots of Mary

UNVEILING THE MOTHER OF THE MESSIAH

Dr. Brant Pitre

Are Catholic teachings on Mary really biblical? Or are they the “traditions of men?” Should she be called the Mother of God, or just the mother of Jesus? Did she actually remain a virgin her whole life, or do the “brothers

of Jesus” refer to her other children? By praying to Mary, are Catholics worshipping her? And what does Mary have to do with the quest to understand Jesus? From best-selling author of *Jesus and the Jewish Roots of the Eucharist* comes a new book that examines the Blessed Virgin Mary in a whole new way. Using his in-depth knowledge of the Bible and ancient Judaism, Dr. Brant Pitre answers important questions about the Biblical understanding of Mary and the Church’s teaching on her. He takes readers step-by-step from the Garden of Eden to the Book of Revelation to reveal how deeply biblical Catholic beliefs about Mary really are.

“This book is vintage Brant Pitre: clear, persuasive, readable, and above all, inspiring. It causes us not only to know more about the Mother of God, but also to love her more.”

Most Rev. Robert Barron, Auxiliary Bishop of Los Angeles

“What Pitre does with the Bible and Marian typology is clear and compelling. A joy to read, this is the best biblical study of Mary I have ever read. A true masterpiece.”

Dr. Scott Hahn, author of *The Lamb’s Supper* and *The Fourth Cup*

Santos Para Hoy

(Saints for Our Times)

Jerome K. Williams

Who are the true benefactors of the human race? Explorers? Scientists? Revolutionaries? Rebels against established authority? Or the saints? *Santos Para Hoy* explores in detail four of the leaders who led the Church's rebirth from the ashes of Renaissance decadence and the turbulence and confusion caused by the Protestant Reformation. The saints of the Catholic Reformation show us just how powerful—and beautiful—is the human heart's free response to God's generous grace. Dive deeper into the lives of four beloved saints:

- St. Ignatius of Loyola
- St. Francis Xavier
- St. Teresa of Avila
- St. John of the Cross

Abridged from *True Reformers* by Jerome K. Williams, this is special Spanish edition book is available for your Spanish-speaking parishioners this Advent.

"This penetrating analysis introduces the vibrant personalities who so clearly understood the larger implications hidden beneath the surface in the era of the European Reformations."

Dr. Don Briel, founder of the Center for Catholic Studies at the University of St. Thomas in St. Paul, Minnesota

"These stunning portraits of four very great saints show the beauty of God's grace shining through the lives of his closest friends. The path marked out by the True Reformers of the 16th century is the path we still need to walk in the 21st: the steep and narrow path of holiness."

THE ADVENTURES OF NICK AND SAM

Paul McCusker

The Perry family's first Advent in Hope Springs is a mix of drama and comedy as Sam competes with her best friend to be in the Christmas pageant, Nick hopes to play an angel that actually flies, the search for a Christmas

tree leads to danger, and family traditions take on a whole new meaning of joy. It's a time of fun, learning, and wonder that might become the Perry family's best Advent ever.

Nicolas (Nick) and Samantha (Sam) Perry are twins in the Perry family. They moved with their parents, their brother Andrew, and their sister Lizzy, to Hope Springs in the summer. Hope Springs is a fictional town in the mountains of Colorado, the setting of the *Hope Springs* series. *Hope Springs* is a multi-faceted series of stories that explores living the Catholic faith in the modern world. This series presents the adventures of the twins, their family, their friends, and the people they encounter at school, church, and in town. This series presents Catholic culture easily and normally, and provides opportunities for readers to think about the consequences of words and actions. *Hope Springs* was introduced as short stories in the *Signs Of Grace* catechetical workbooks and now includes novels for readers ages 7+ under the banner *The Adventures Of Nick & Sam*. The world of Hope Springs also appears in the grown-up novel *Blue Christmas*.

I Thirst

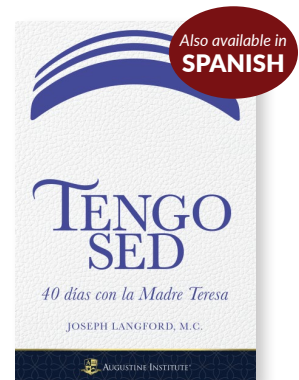

40 DAYS WITH MOTHER TERESA

Fr. Joseph Langford, MC

St. Teresa of Calcutta was a woman known and loved for her tender work among the poorest of the poor. Behind her drive and desire to serve Christ's poor was a profound understanding of the thirst of God for man, and man's thirst

for God. This guided meditation on Scripture and the teaching of Mother Teresa will lead those who read it into the heart of the mystery of God's thirst for souls, and how man can meet the Lord's thirst. Fr. Joseph Langford, an intimate friend of Mother Teresa's and a co-founder with her of the Missionary of Charity Fathers, leads the reader into Mother Teresa's love of God, and helps foster the love of God in the heart of the reader. *I Thirst* provides an opportunity to grow in intimacy, and to meet the thirst of God with our own thirst for him.

"*I Thirst* provides 40 day portions of the rich spirituality of St. Teresa of Calcutta. It communicates well Jesus' desire or thirst to love us deeply, and our inner thirst for His presence in our lives. I strongly encourage its use during Lent or at any other time of the year."

Most Rev. Joseph Kurtz, Archbishop of Louisville

"Fr. Langford's reflections take us into the heart of Mother Teresa's spirituality. Based on his close relationship with Mother and his own contemplation and teaching on this theme, these meditations help us encounter God more in our thirst for Him and His thirst for us."
