Ataque a la Libertad Religiosa:

La Batalla por la Fe en México

(Attack on Religious Liberty: Battle for the Faith in Mexico)

Patrick Madrid

(translated by Jorge Luis Garcia)

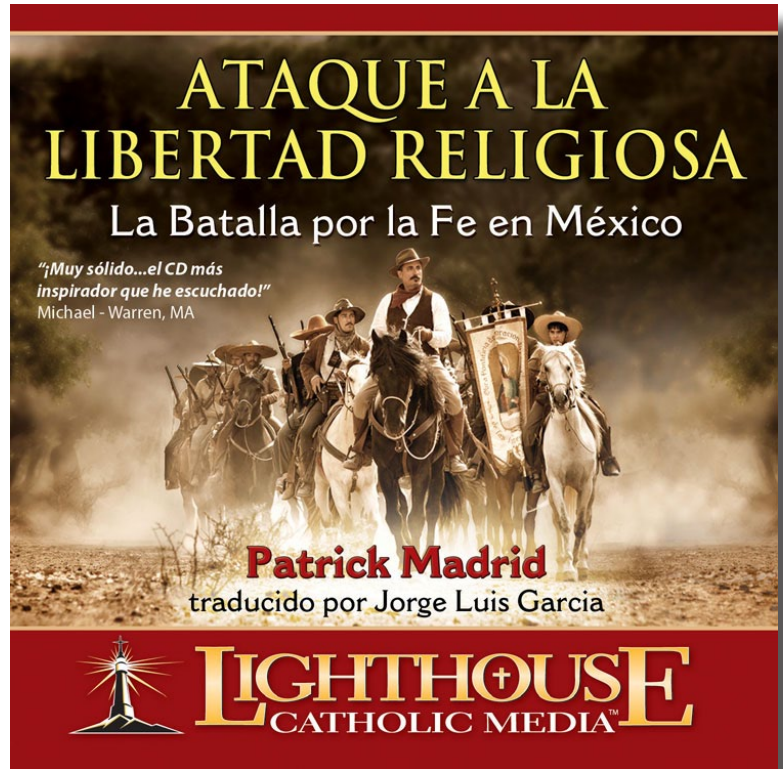

In this vivid Spanish translation by Jorge Luis Garcia, Patrick Madrid explores the history of the systematic persecution of the Catholic Church in Mexico in the 1920s. With a thorough review of the historical facts, he recounts how many thousands of Catholics were willing to endure terrible sufferings and martyrdom for their fidelity and love for Christ and their Catholic Faith.

“Rock solid... the most inspirational CD I’ve ever heard! The men in the parish are stunned by it... they are amazed about the history, and it has really steeled their courage and opened their eyes to modern persecution.”

Michael - Warren, MA

“I am Mexican born, and this taught me about many facts that had been unknown to me.”

Jamie - Lake Havasu City, AZ

“Very educational and inspirational... I never knew the extent of the Cristera Wars, nor the magnitude of the oppression that the Mexican people suffered. A great talk about a topic that is not widely known!”

Laura - Mexico City, MX

“It made me proud to learn more about the brave martyrs who defended their faith.”

Angel - Belvidere, IL
