An inspiring new release

RELATIVISM: Do you know how it is affecting you?

Chris Stefanick

Pope Benedict XVI considers relativism to be the most dangerous dictatorship existing in the world today. In this presentation, Chris Stefanick debunks the powerful and epidemic myth of relativism with honesty, relevance, humor, and logical validity, offering a much-needed perspective on the current status quo of morality.

**"If you only listen to one CD this year,
listen to 'Relativism' by Chris Stefanick."**
